MICKEY MOUSE

Art Attack

I love it here in the Artists' Quarter, Mickey! It's such a relaxed, Bohemian atmosphere!

When you think of all the famous painters who once lived here...it's amazing! It makes **me** want to start painting!

D93226

I wonder if our friend Antonio will ever be famous...

Well, he's **good**! If he wasn't, I wouldn't have asked him to do this portrait for your birthday!

It's a great idea for a birthday present, Mickey! You're really sweet!

Let's hope this is the last sitting! Then I can give it to you **on** your birthday today!

Antonio? You here?

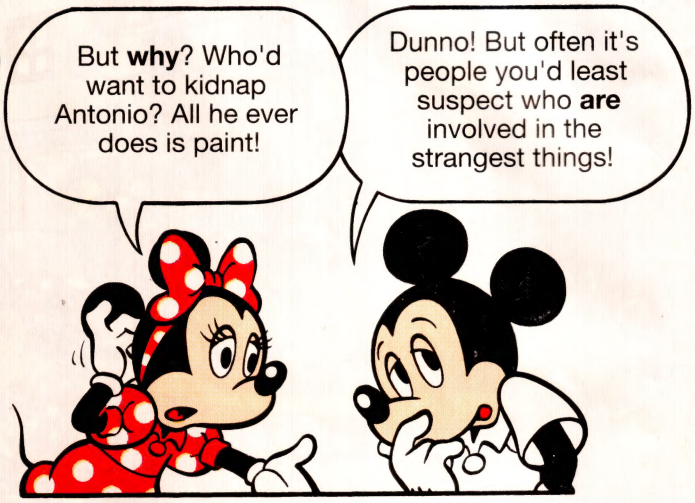
It's us, Antonio! Are you ready to finish that masterpiece and make my birthday perfect?

What the...?

(Gasp!)

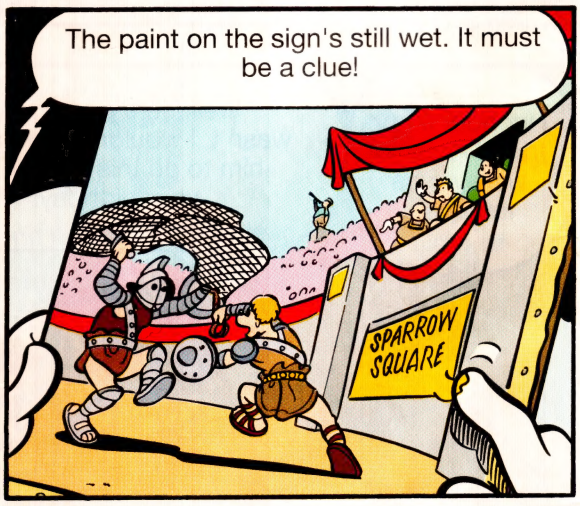
The portrait's **gone**! And so's Antonio for that matter!
Just look at this **mess**!

I don't like the look of this. I'd say there was some sort of struggle, as if someone had to leave in a hurry!
Or was forced to!

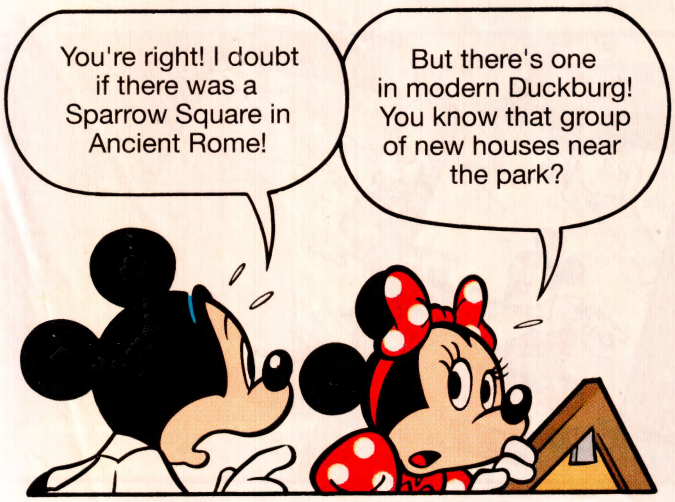


But **why**? Who'd want to kidnap Antonio? All he ever does is paint!
Dunno! But often it's people you'd least suspect who **are** involved in the strangest things!

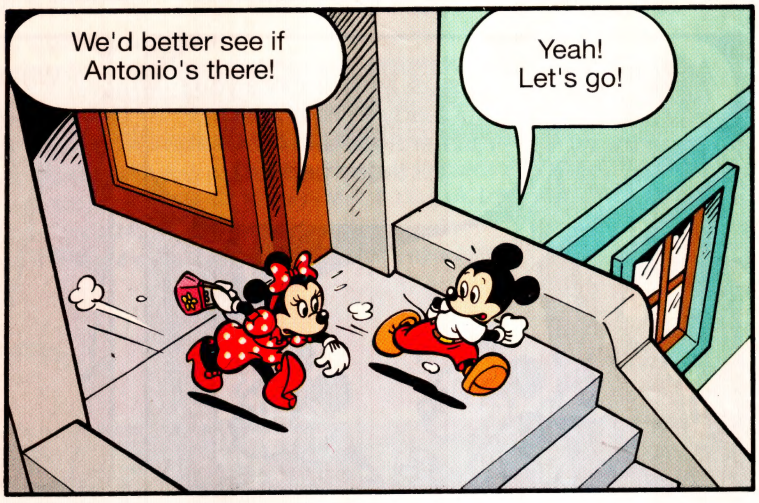
Mickey! Look at this painting! It was obviously interrupted in mid-stroke!
Let me see!



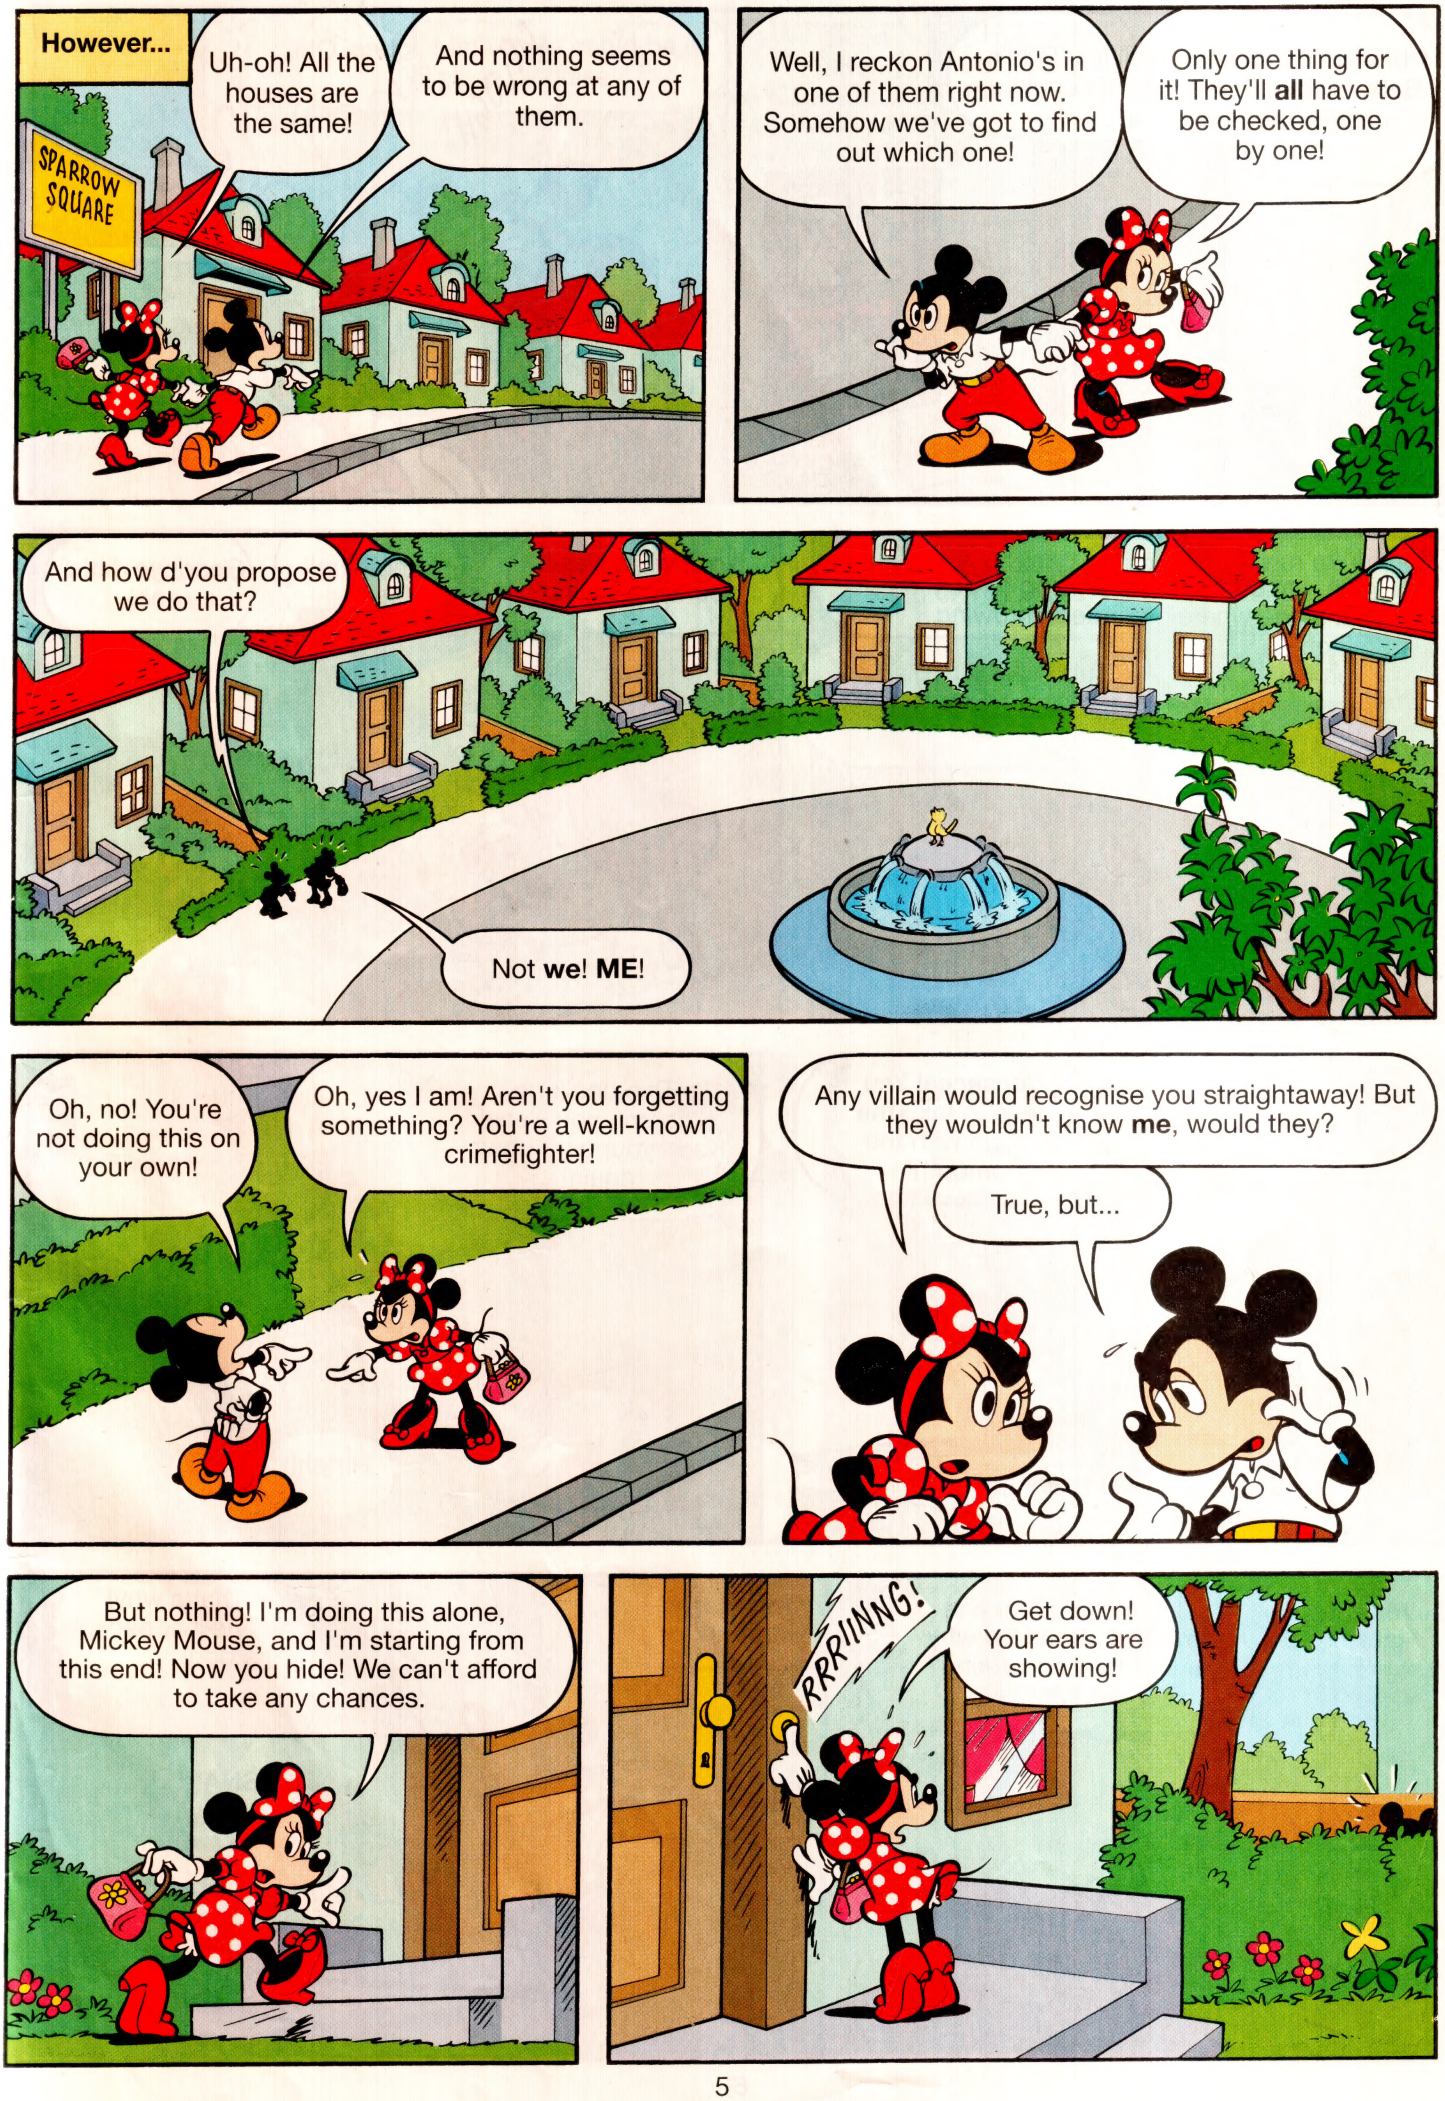
The paint on the sign's still wet. It must be a clue!
SPARROW SQUARE



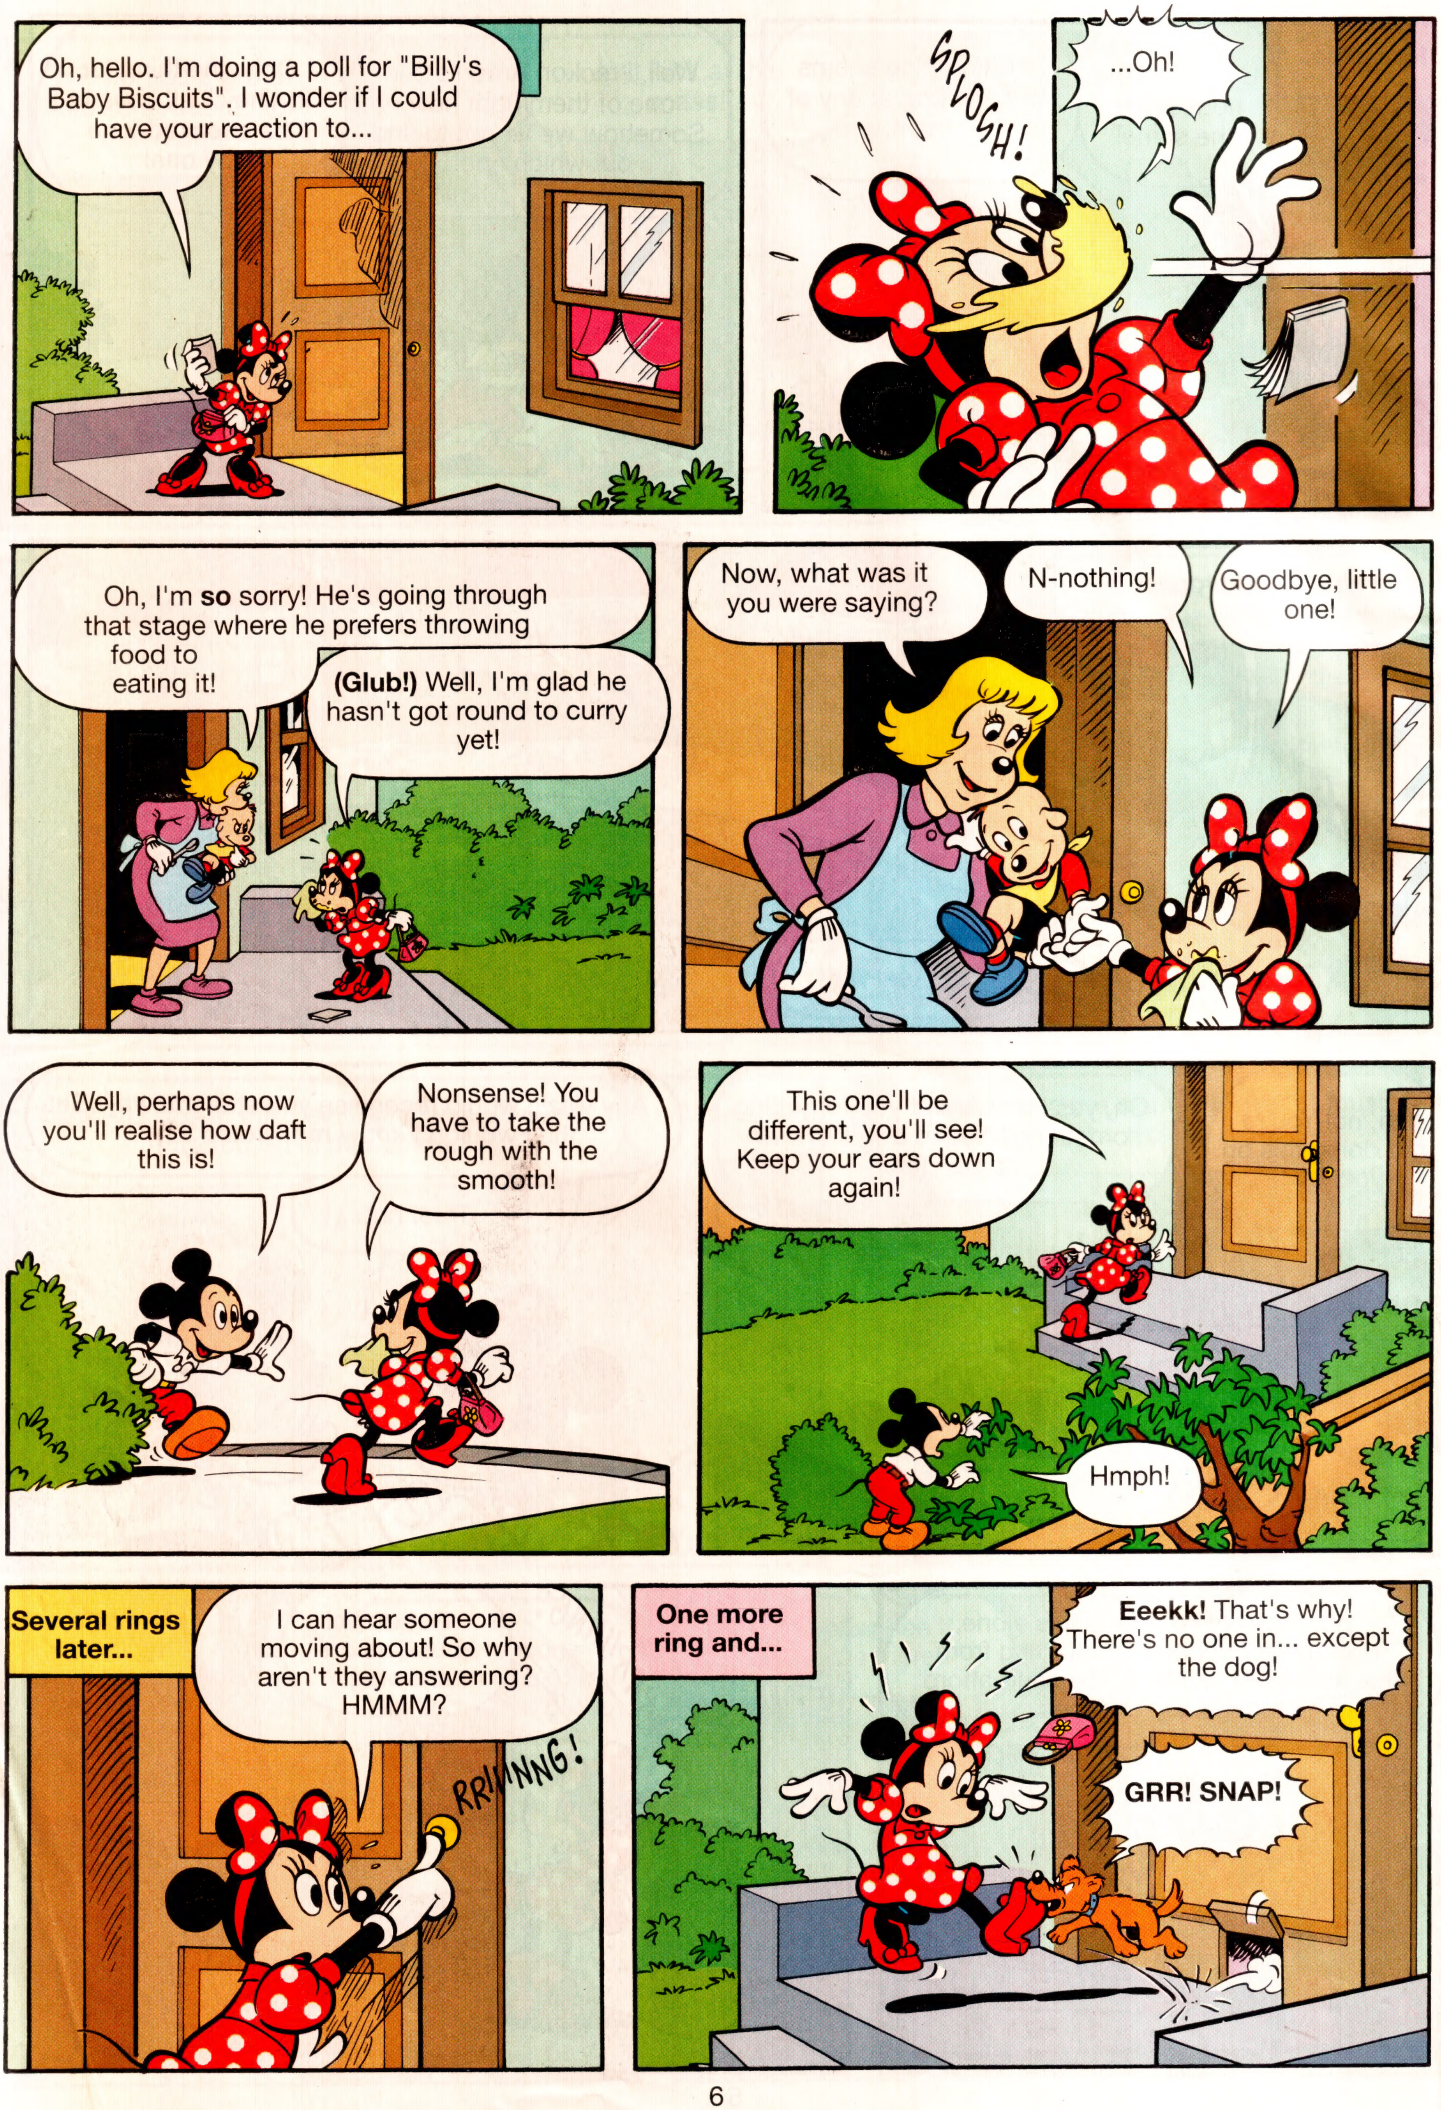
You're right! I doubt if there was a Sparrow Square in Ancient Rome!
But there's one in modern Duckburg! You know that group of new houses near the park?



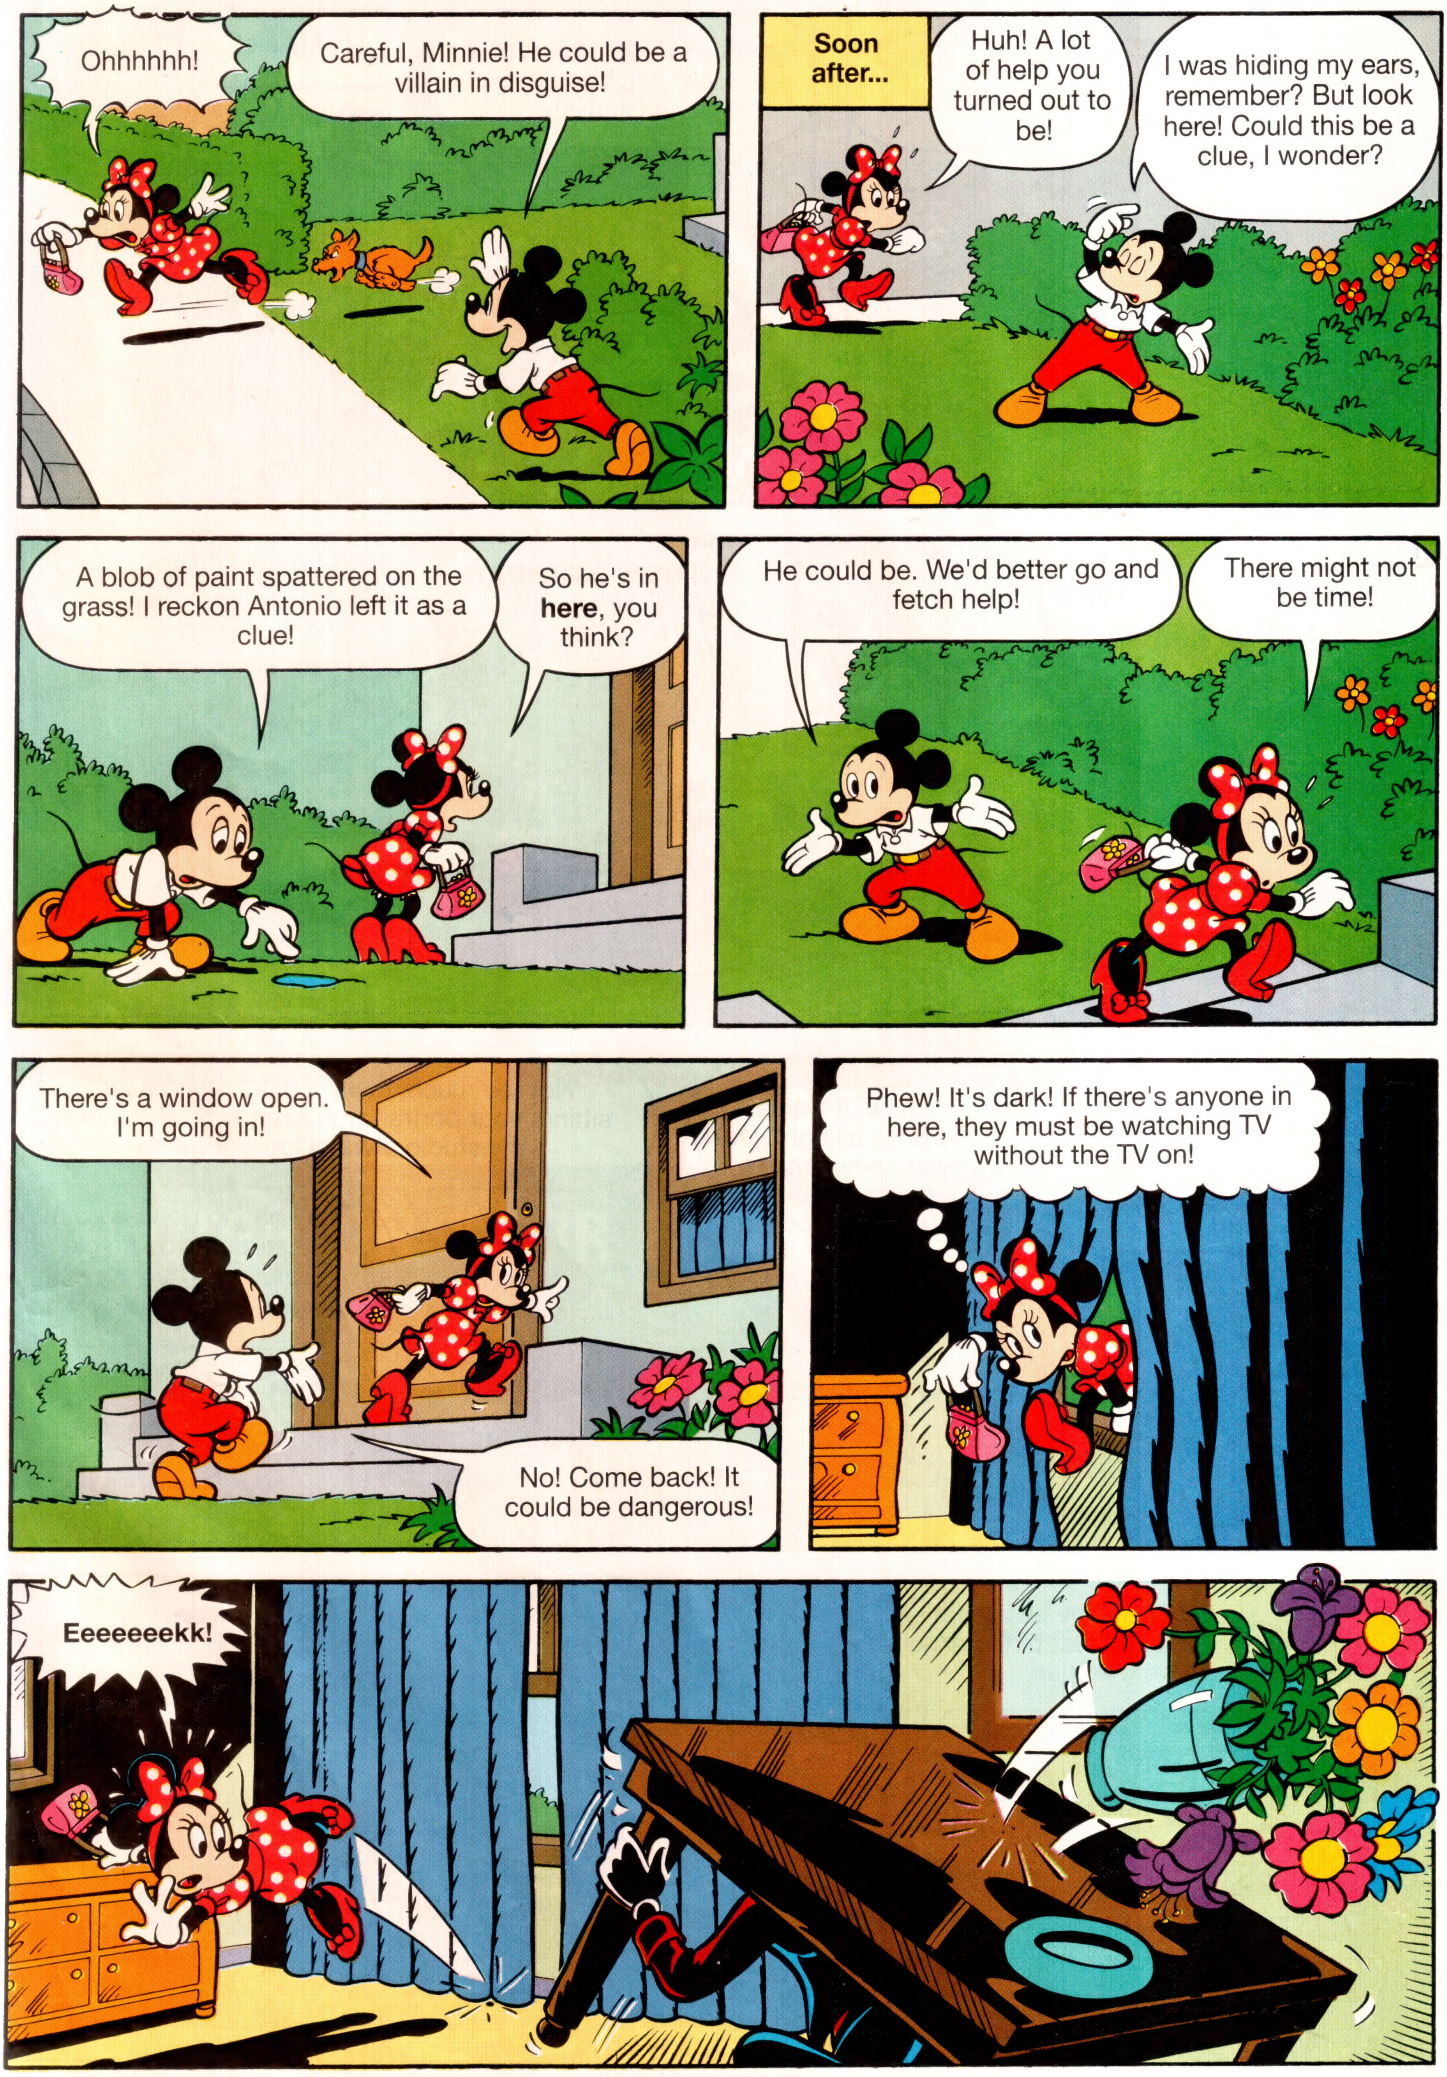
We'd better see if Antonio's there!
Yeah! Let's go!



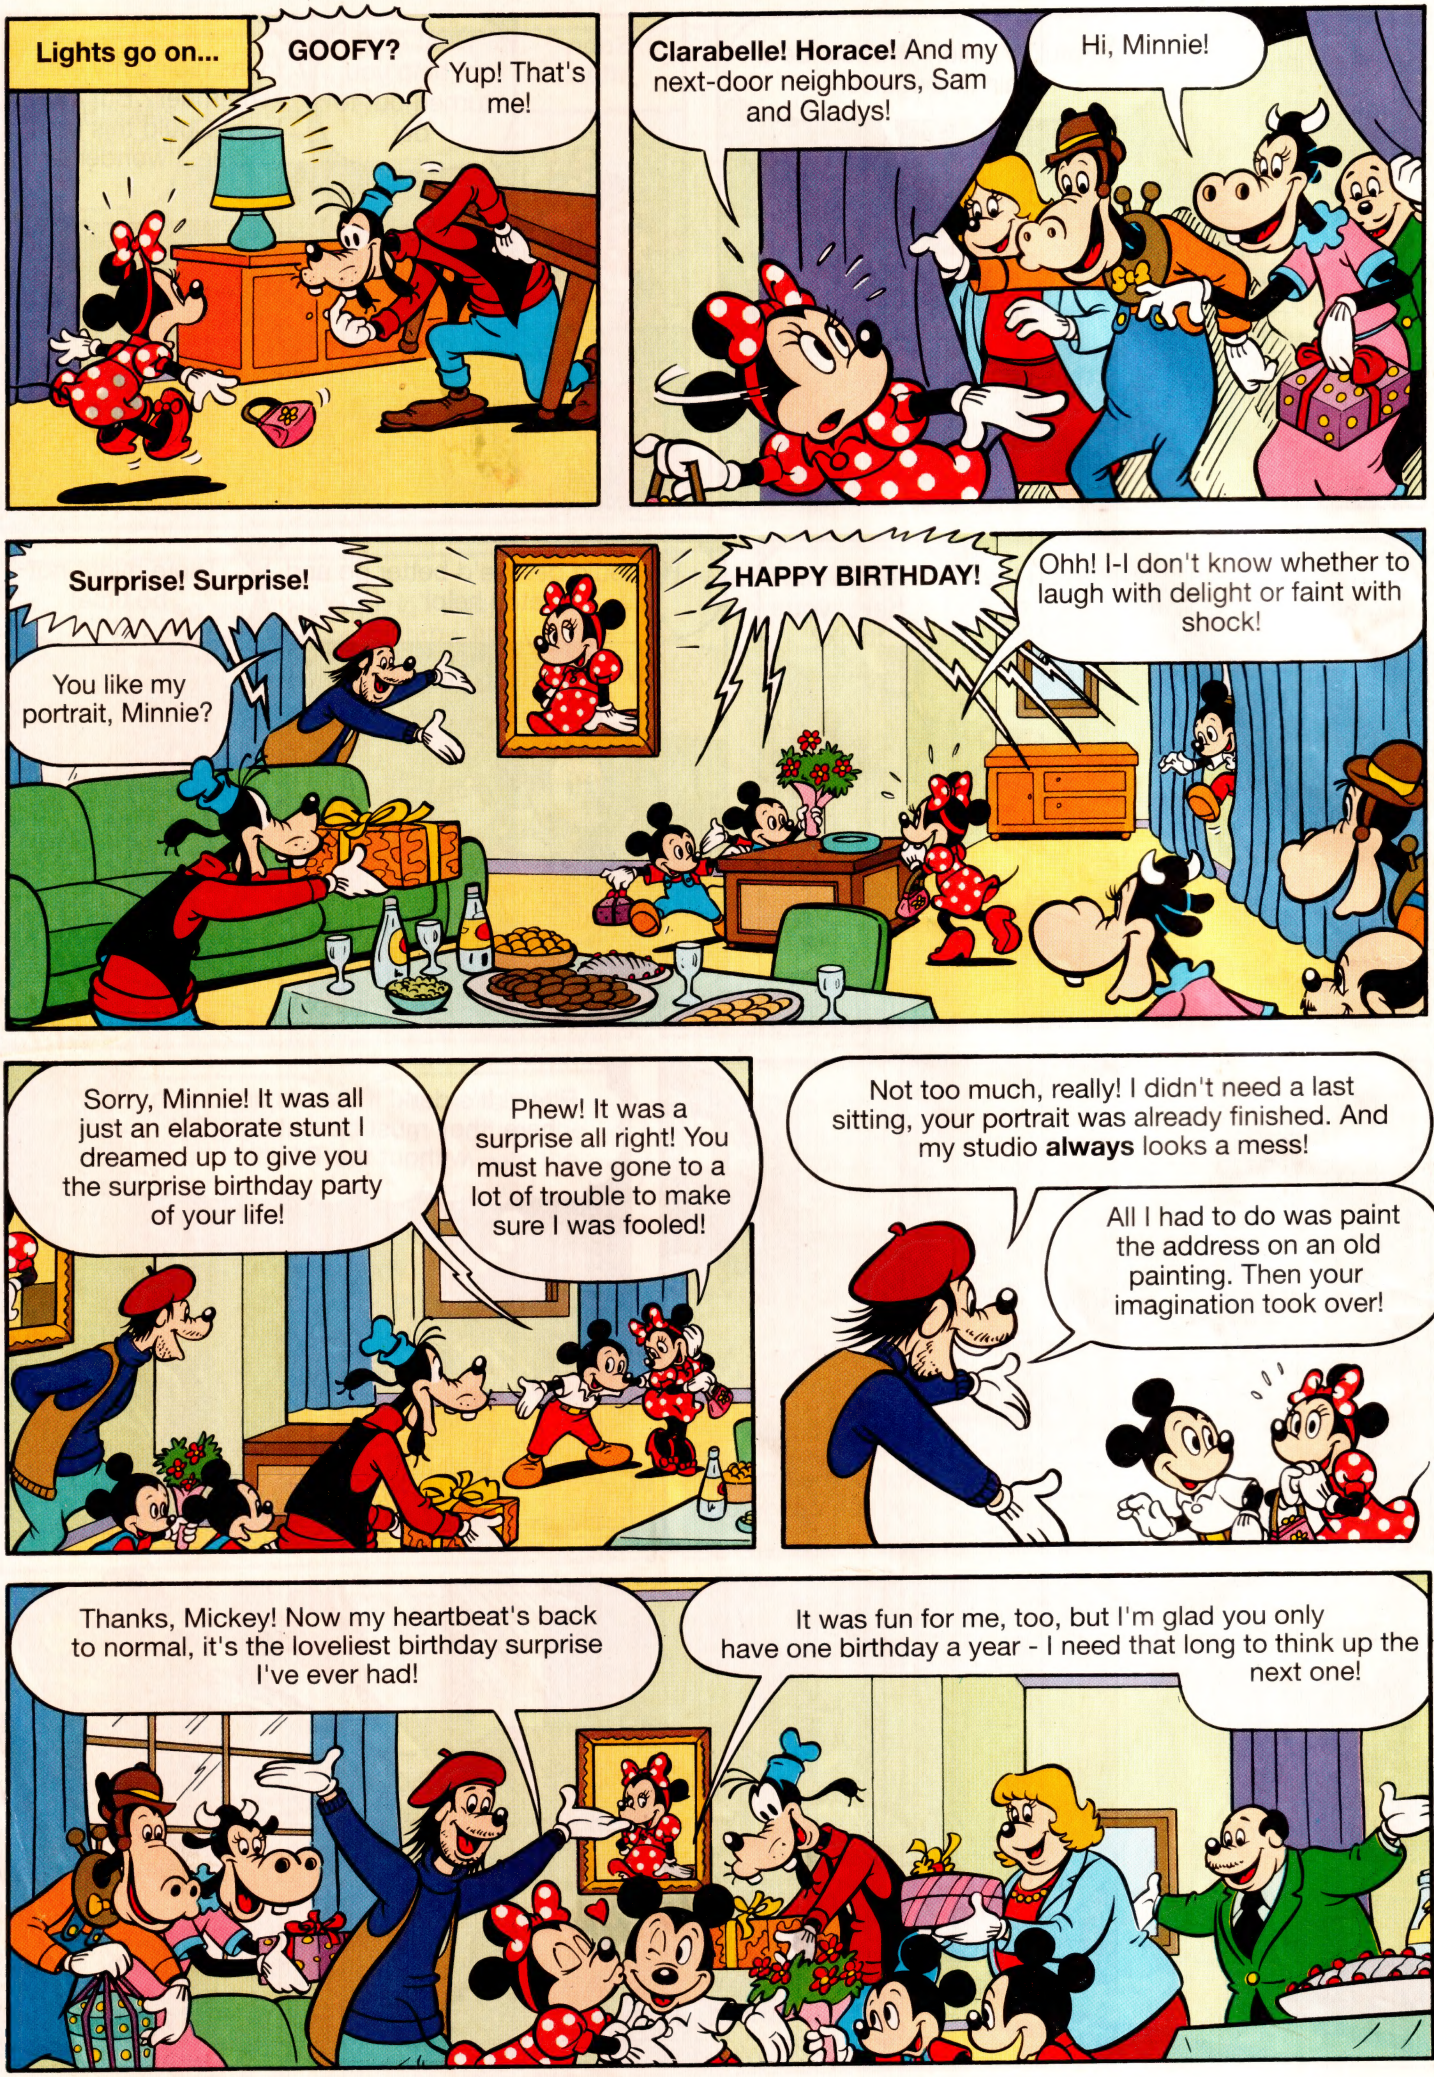
However...
Uh-oh! All the houses are the same!
And nothing seems to be wrong at any of them.
SPARROW SQUARE
Well, I reckon Antonio's in one of them right now. Somehow we've got to find out which one!
Only one thing for it! They'll **all** have to be checked, one by one!
And how d'you propose we do that?
Not **we**! **ME**!
Oh, no! You're not doing this on your own!
Oh, yes I am! Aren't you forgetting something? You're a well-known crimefighter!
Any villain would recognise you straightaway! But they wouldn't know **me**, would they?
True, but...
But nothing! I'm doing this alone, Mickey Mouse, and I'm starting from this end! Now you hide! We can't afford to take any chances.
RRRIINNG!
Get down! Your ears are showing!



Oh, hello. I'm doing a poll for "Billy's Baby Biscuits". I wonder if I could have your reaction to...
SPLOSH!
...Oh!
Oh, I'm **so** sorry! He's going through that stage where he prefers throwing food to eating it!
(Glub!) Well, I'm glad he hasn't got round to curry yet!
Now, what was it you were saying?
N-nothing!
Goodbye, little one!
Well, perhaps now you'll realise how daft this is!
Nonsense! You have to take the rough with the smooth!
This one'll be different, you'll see! Keep your ears down again!
Hmph!
Several rings later...
I can hear someone moving about! So why aren't they answering? HMMM?
RRIINNG!
One more ring and...
Eeekk! That's why! There's no one in... except the dog!
GRR! SNAP!



Ohhhhhh!
Careful, Minnie! He could be a villain in disguise!
Soon after...
Huh! A lot of help you turned out to be!
I was hiding my ears, remember? But look here! Could this be a clue, I wonder?
A blob of paint spattered on the grass! I reckon Antonio left it as a clue!
So he's in **here**, you think?
He could be. We'd better go and fetch help!
There might not be time!
There's a window open. I'm going in!
No! Come back! It could be dangerous!
Phew! It's dark! If there's anyone in here, they must be watching TV without the TV on!
Eeeeeeekk!



Lights go on...
GOOFY?
Yup! That's me!
Clarabelle! Horace! And my next-door neighbours, Sam and Gladys!
Hi, Minnie!
Surprise! Surprise!
You like my portrait, Minnie?
HAPPY BIRTHDAY!
Ohh! I-I don't know whether to laugh with delight or faint with shock!
Sorry, Minnie! It was all just an elaborate stunt I dreamed up to give you the surprise birthday party of your life!
Phew! It was a surprise all right! You must have gone to a lot of trouble to make sure I was fooled!
Not too much, really! I didn't need a last sitting, your portrait was already finished. And my studio **always** looks a mess!
All I had to do was paint the address on an old painting. Then your imagination took over!
Thanks, Mickey! Now my heartbeat's back to normal, it's the loveliest birthday surprise I've ever had!
It was fun for me, too, but I'm glad you only have one birthday a year - I need that long to think up the next one!

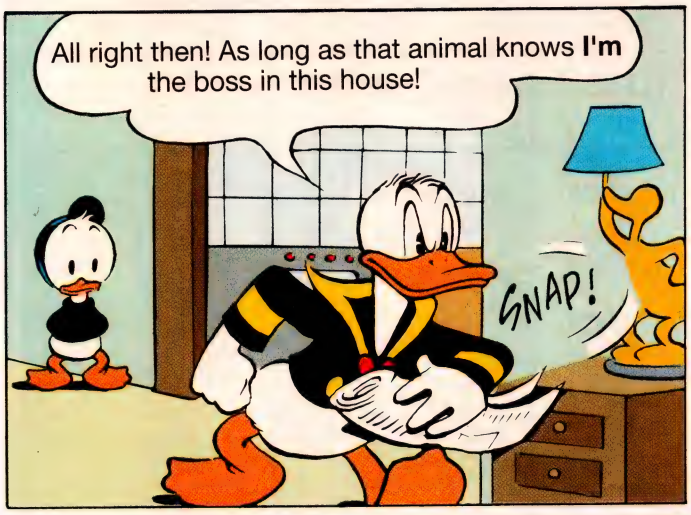
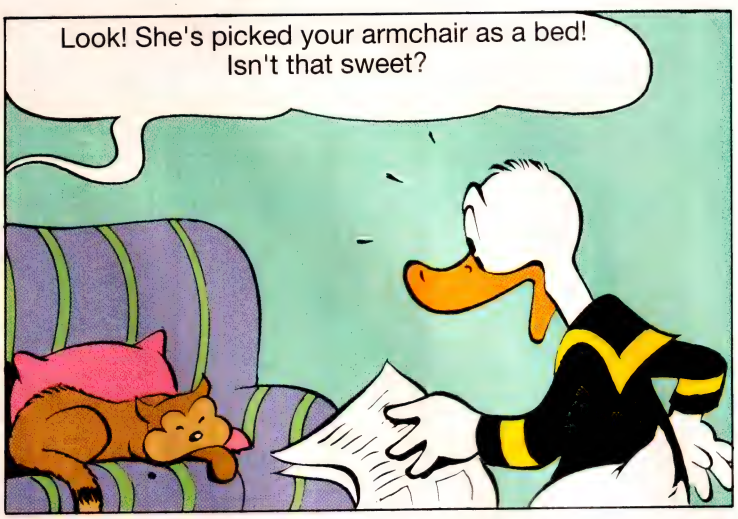
The True Animal Lover

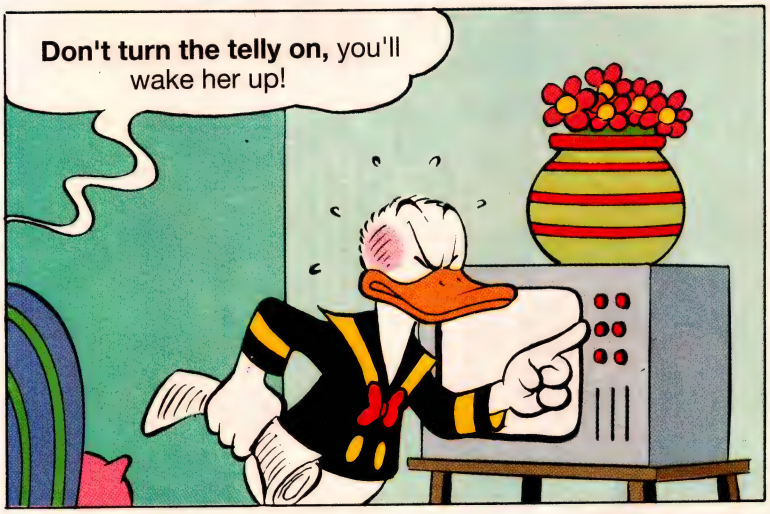
Unca Donald...
...look...
...what we've found!
H 8231
AAAAAAH! A pussycat!
She's so cute...
...can we...
...keep her, Unca Donald?
No way! Animals belong in the open!
But Unca Donald, we can learn a lot from a cat like her!
Besides, cats bring peace to a house!
There's no need, 'cause I'M PEACE ITSELF! Now get rid of that ugly moggy before I do!
Well, it only takes one cat to show who the true animal lovers are!
That's right!



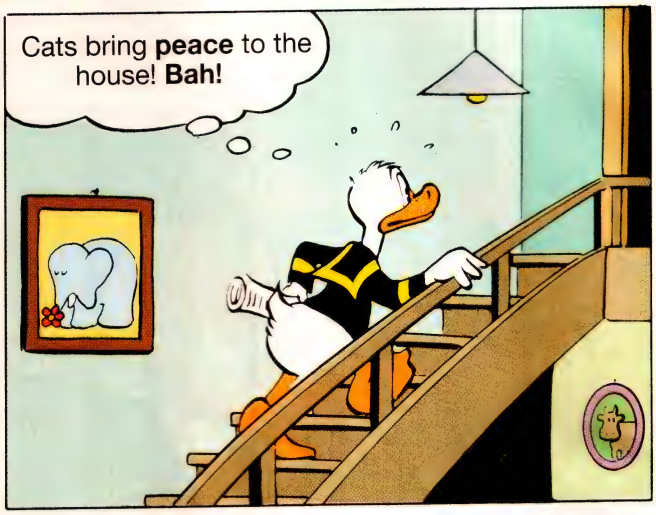
All right then! As long as that animal knows **I'm** the boss in this house!
SNAP!



Look! She's picked your armchair as a bed! Isn't that sweet?

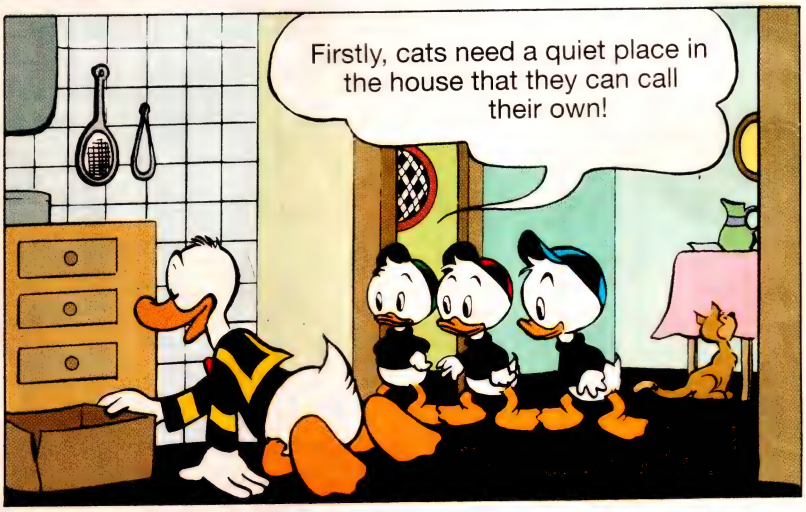


Don't turn the telly on, you'll wake her up!

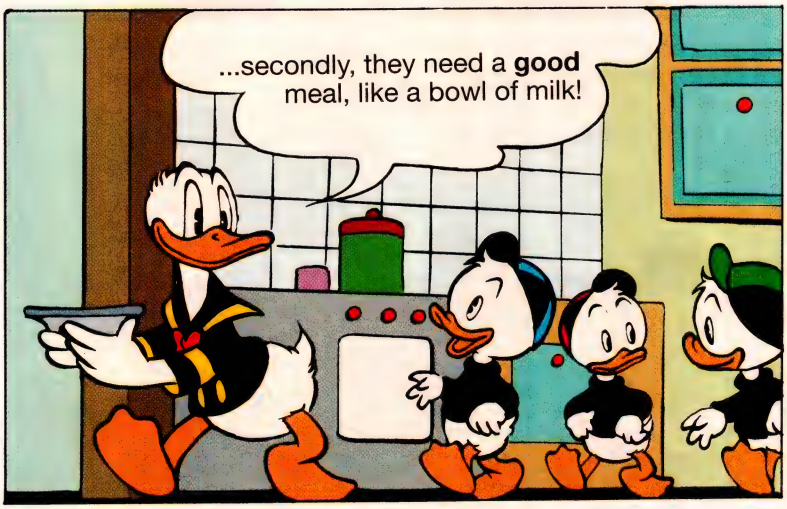


Cats bring **peace** to the house! **Bah!**

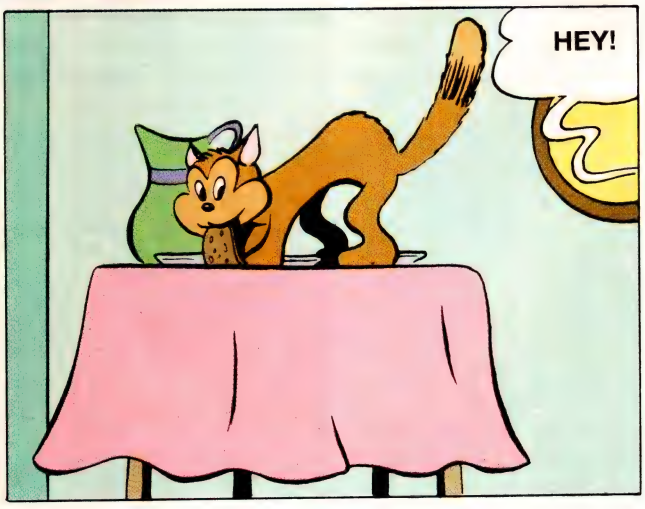
I think I'd better teach you a thing or two about pets, boys!



Firstly, cats need a quiet place in the house that they can call their own!

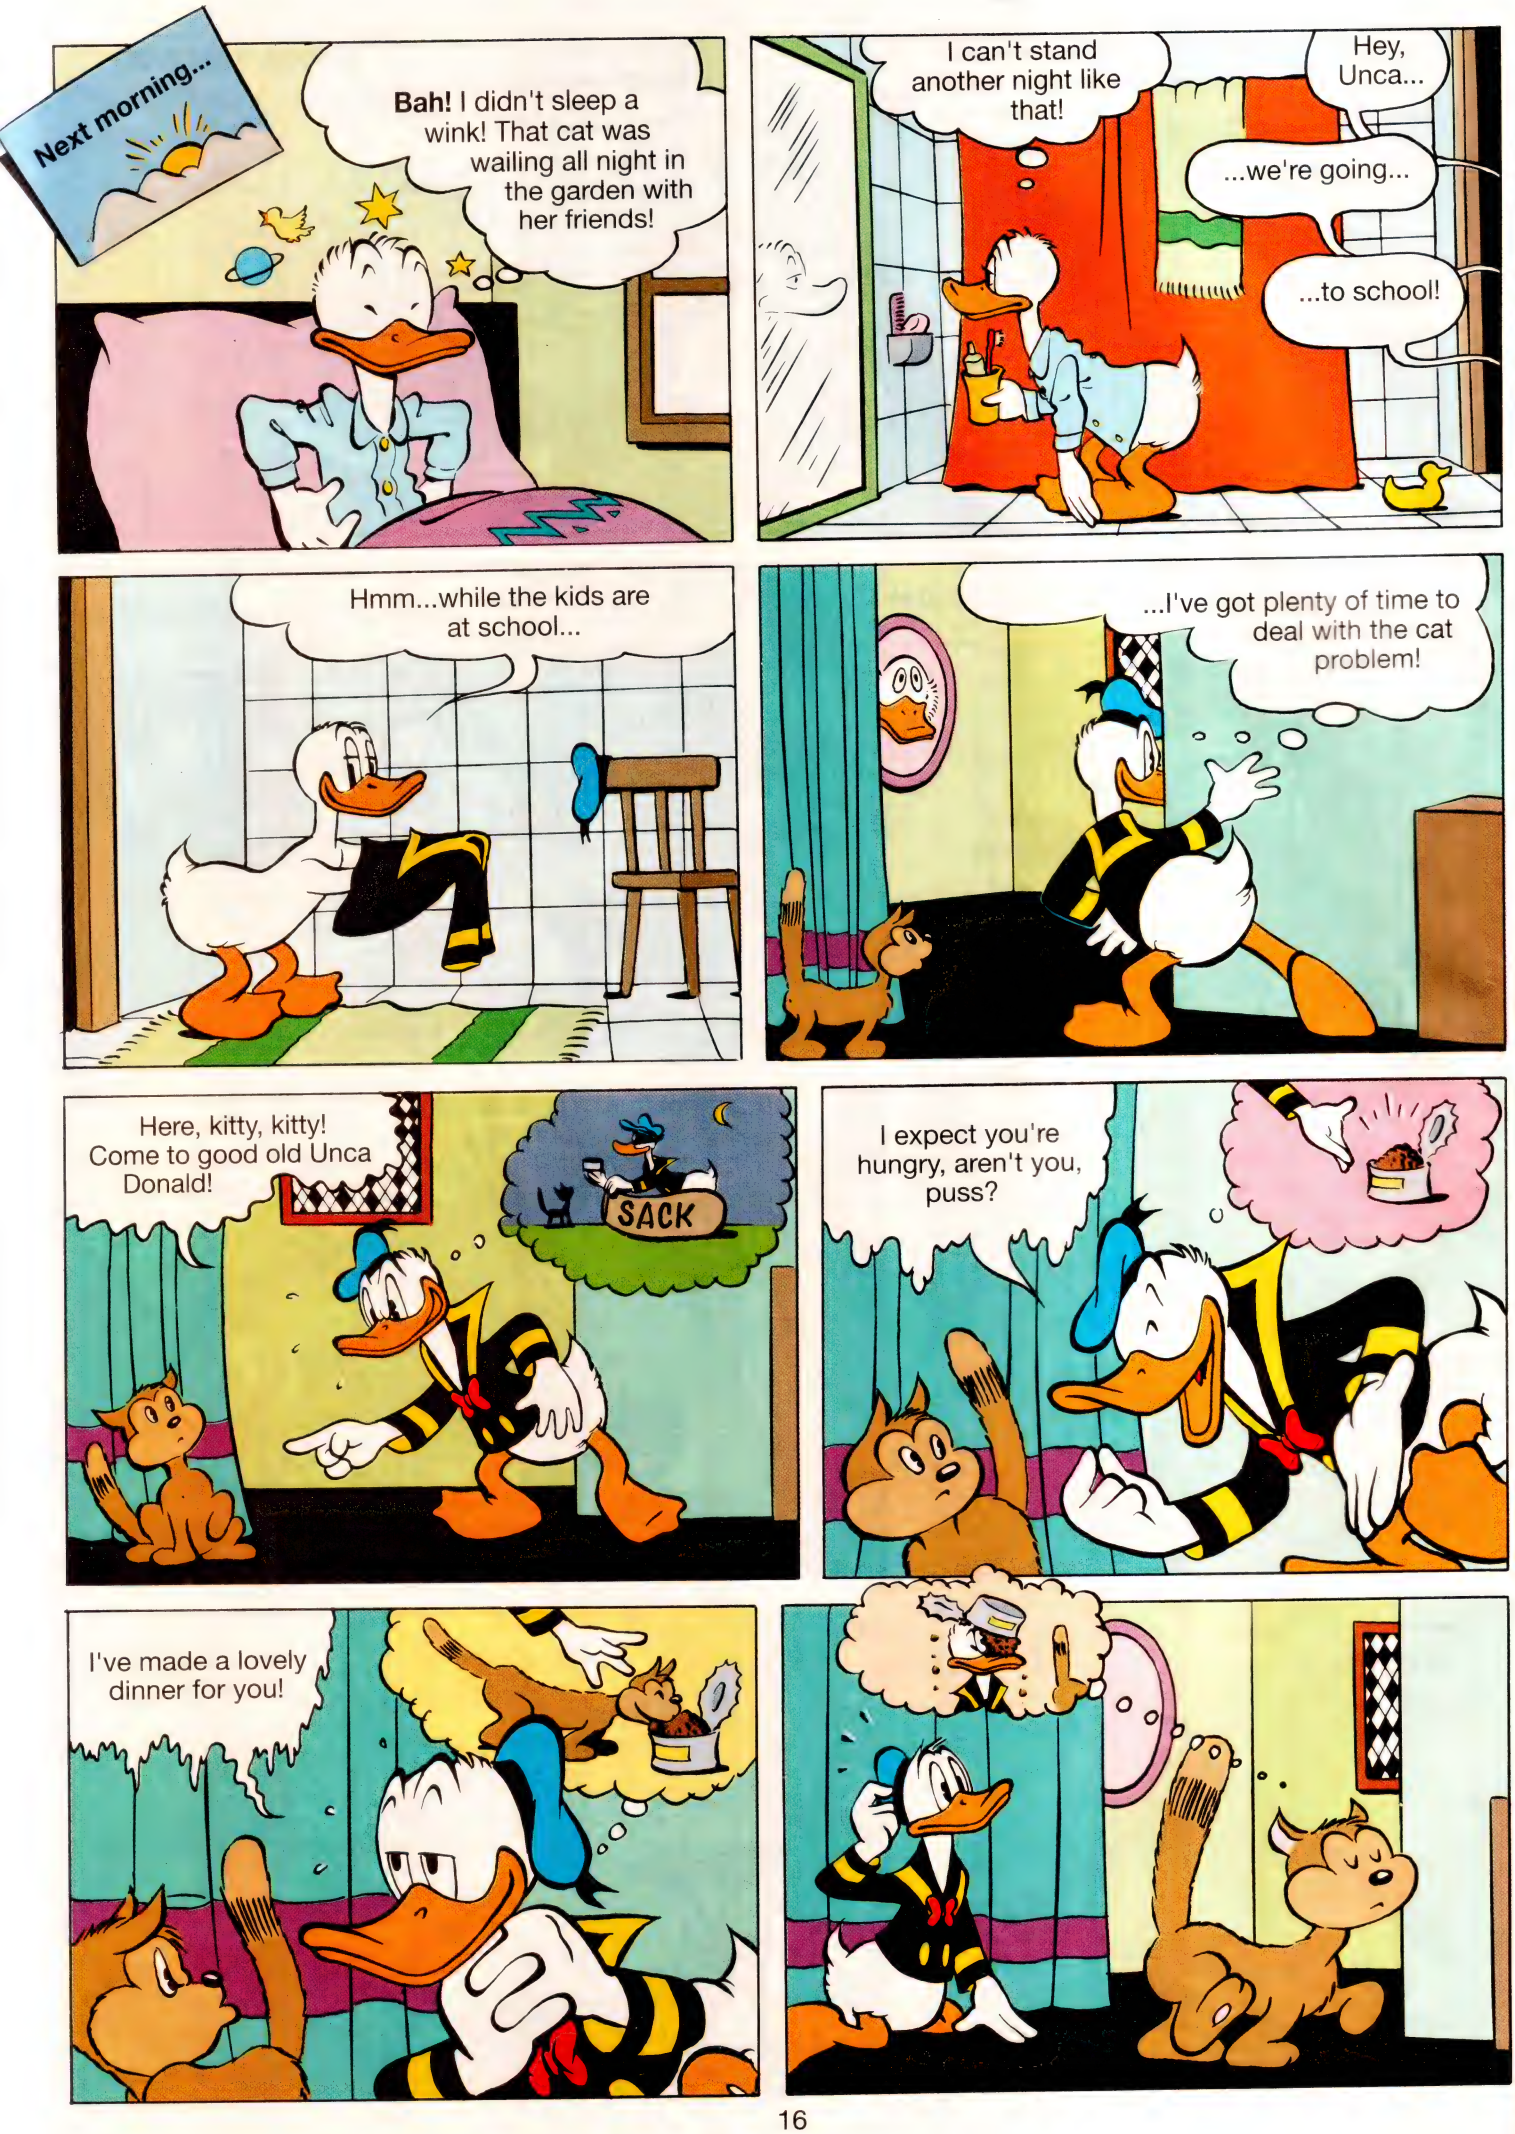


...secondly, they need a **good** meal, like a bowl of milk!



HEY!

Whaddaya think you're doing? **Get down from there!**
MIAOWAOW!
SCRAM, YOU THIEF!
NO! Our steaks!
WHIZZZZ!
But Unca Donald...
...you mustn't...
...tell her off!
What're you trying to say? That I don't like animals, huh?
That's not true, is it, pussycat? Just come to your Unca Donald!
Be careful!
YEEOOW!
MIAOW!
You scared her, Unca!
You don't know anything about cats!



Next morning...
Bah! I didn't sleep a wink! That cat was wailing all night in the garden with her friends!
I can't stand another night like that!
Hey, Unca...
...we're going...
...to school!
Hmm...while the kids are at school...
...I've got plenty of time to deal with the cat problem!
Here, kitty, kitty! Come to good old Unca Donald!
SACK
I expect you're hungry, aren't you, puss?
I've made a lovely dinner for you!

COME HERE AT ONCE, YOU BEAST!
Right, you asked for it! You're forcing me to get tough!
SWEEP!
HEY! COME BACK!
WHOOSH!
GOT YOU!
BOING!
BANG!
WHOOSH!
Ha! That's got rid of you!
SMACK!
Peace and quiet at last! Oh...
TINGLELING!
I just caught your cat trying to run away, young man! You should watch her more carefully!

Here's your little pussykins back!
Er, thanks...
HEY!
Miaow!
I think, you've, er, lost your hat, ma'am!
Don't be so cheeky!
SMACK!
Keep your hair on! No! I mean...
WOOF!
HELP!
WOOF!
Will you call off your cat at once, please!
DONALD DUCK
WOOF!
WOOF!
If you're going to keep pets, you should train them to behave properly!
Now, now! Look here...
GRR!
WOOF!
WHAT ON EARTH...?
DO DU

Whose **beast** is that sitting in my tree? I'd like a **word.**
WOOF! WOOF!
REMOVE THAT ANIMAL AT ONCE BEFORE IT GETS INTO TROUBLE!
Oh, no!
Come down to your master, kitty!
Tsk! That cat is as stupid as its owner!
Don't be afraid, little one! Just come to me!
AAAARGH!
GET OUT OF MY ROSE GARDEN AT ONCE, DUCK!
Take it easy, neighbour! I'm off!

Five minutes later...
Cats are crazy about fish...
Success!
Let's check out its wall-climbing skills!
Here you are! Go and get your fish!
WHIZZ!
She's gone for good now!
Help! Stop those thieves! Help!
Shut up, fatso! You don't need all this, anyway!
Step on it, George!
You bet!
Off we go!
Miaow!
VROOOM!

HELP! I CAN'T SEE A THING!
MIAOW!
IEIEIEIE!
BOOM!
WHOSE CAT IS THAT?
CRASH!
Oh, my goodness! Something's burning!
I'M OFF!
What's the rush, Mr Duck...?
Whose is the cat?
IT'S HIS!
N-n-no listen! That's not true! I've never seen that beast before!
Scram, moggy! You're nothing but bad luck!

Aha! So you're the lucky owner! **Bravo! Congratulations!**
These burglars were caught, thanks to your cat!
SIMON SNOB-BANKER
If you like her so much, how about you taking her, eh?
Then she's off my hands!
Hmpf!
A good deed is usually rewarded...
Isn't it great?
Unca Donald is the hero of the day!
And so's kitty!
Read all about it! Cat prevents million dollar robbery! **Big reward expected for cat's owner!**
NEWSTAND
Boy...
...boy...
...boy...
Sounds like Unca's been lucky for once!
I wonder what the reward is?
It could be a big wad, or...
...it could be...
...Siamese cats?
For a true animal lover, Unca Donald doesn't look very happy!

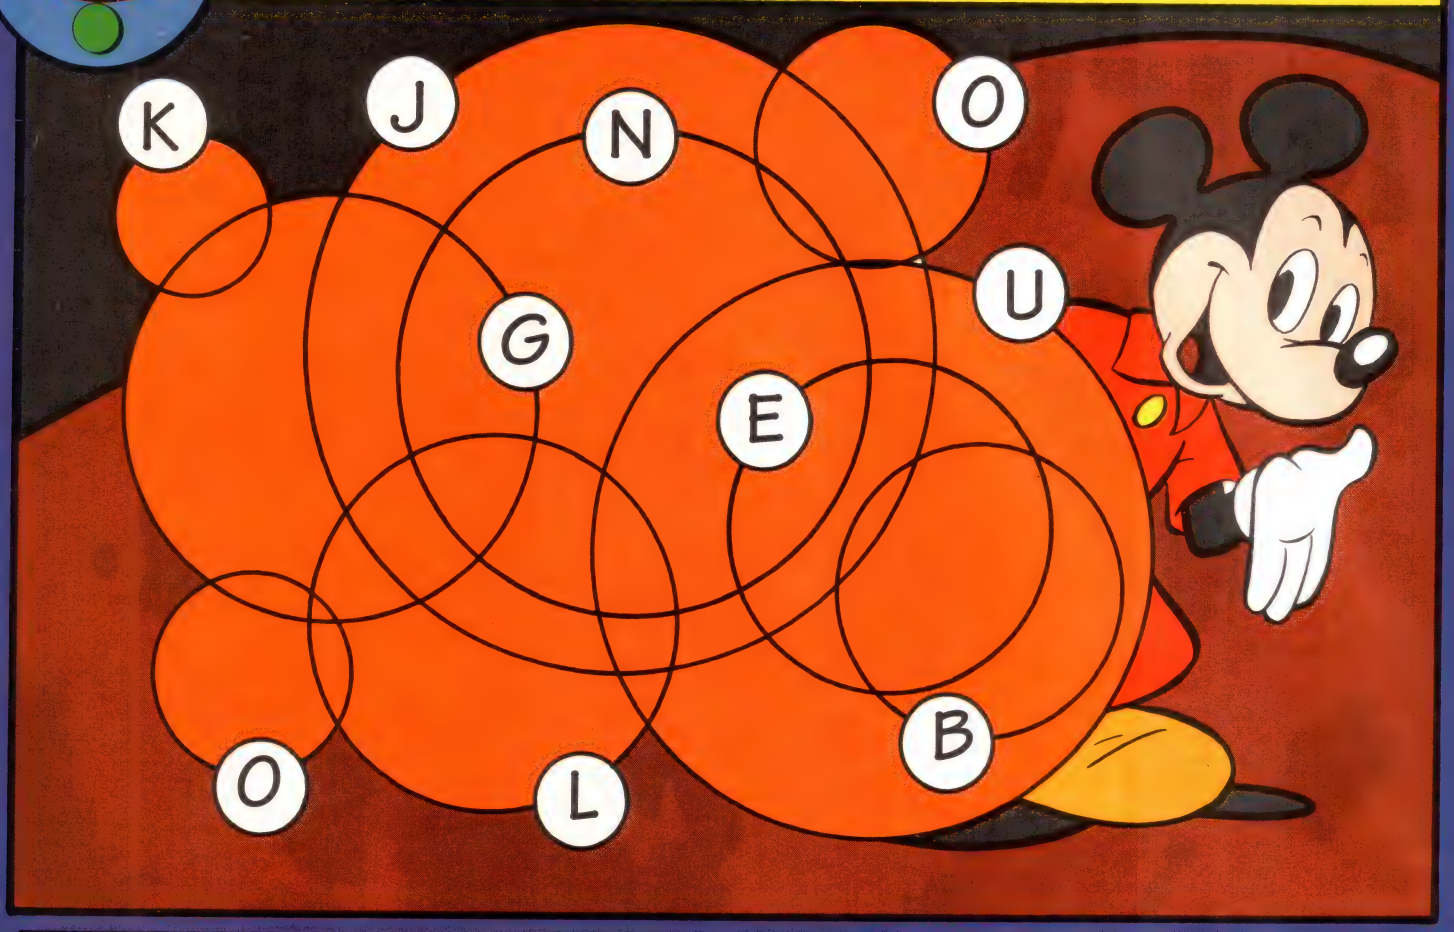
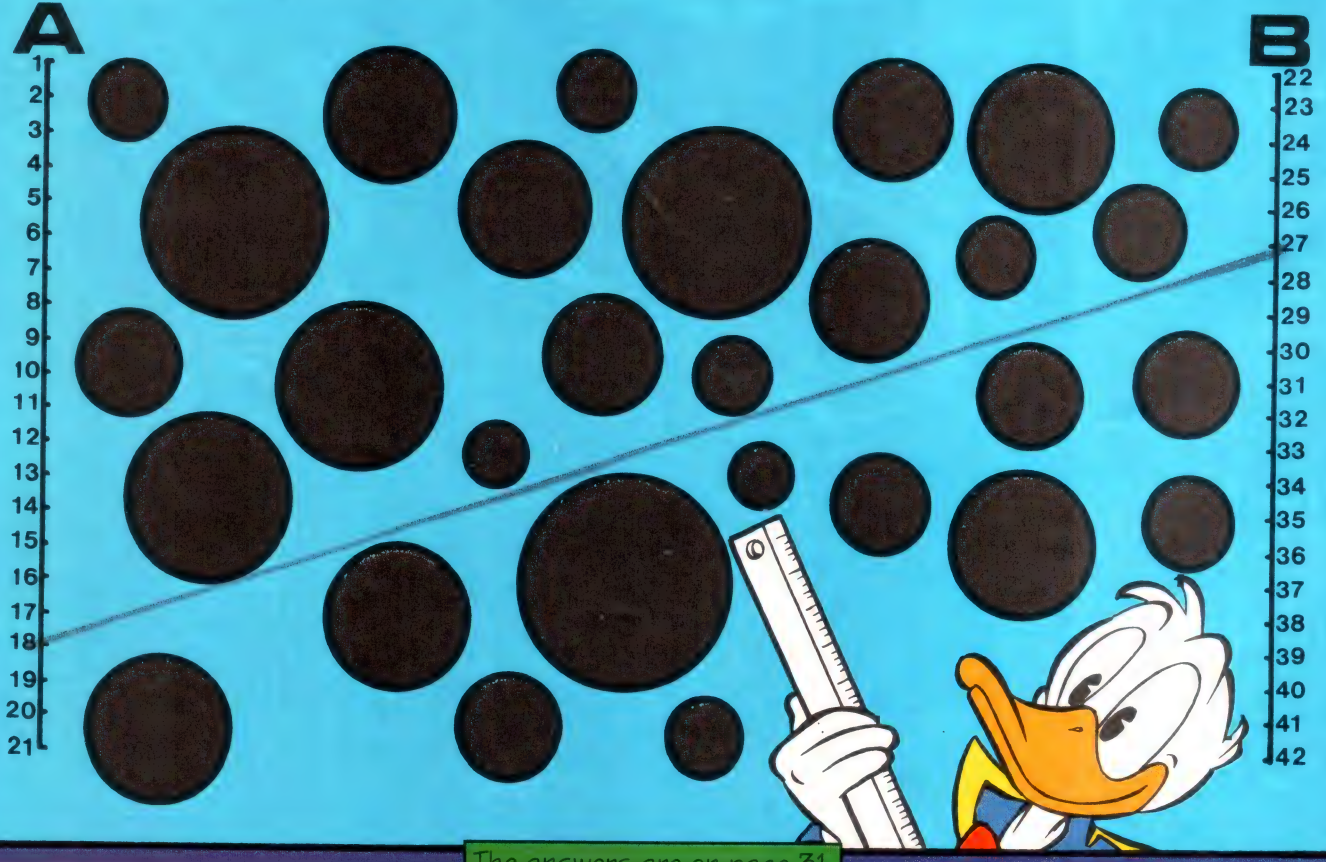
GOING ROUND IN CIRCLES!

Hidden amongst all these letters is the name of a Disney film favourite. Help Mickey to arrange the circles in order from the biggest to the smallest to find out what it is.



Spots Before Your Eyes!

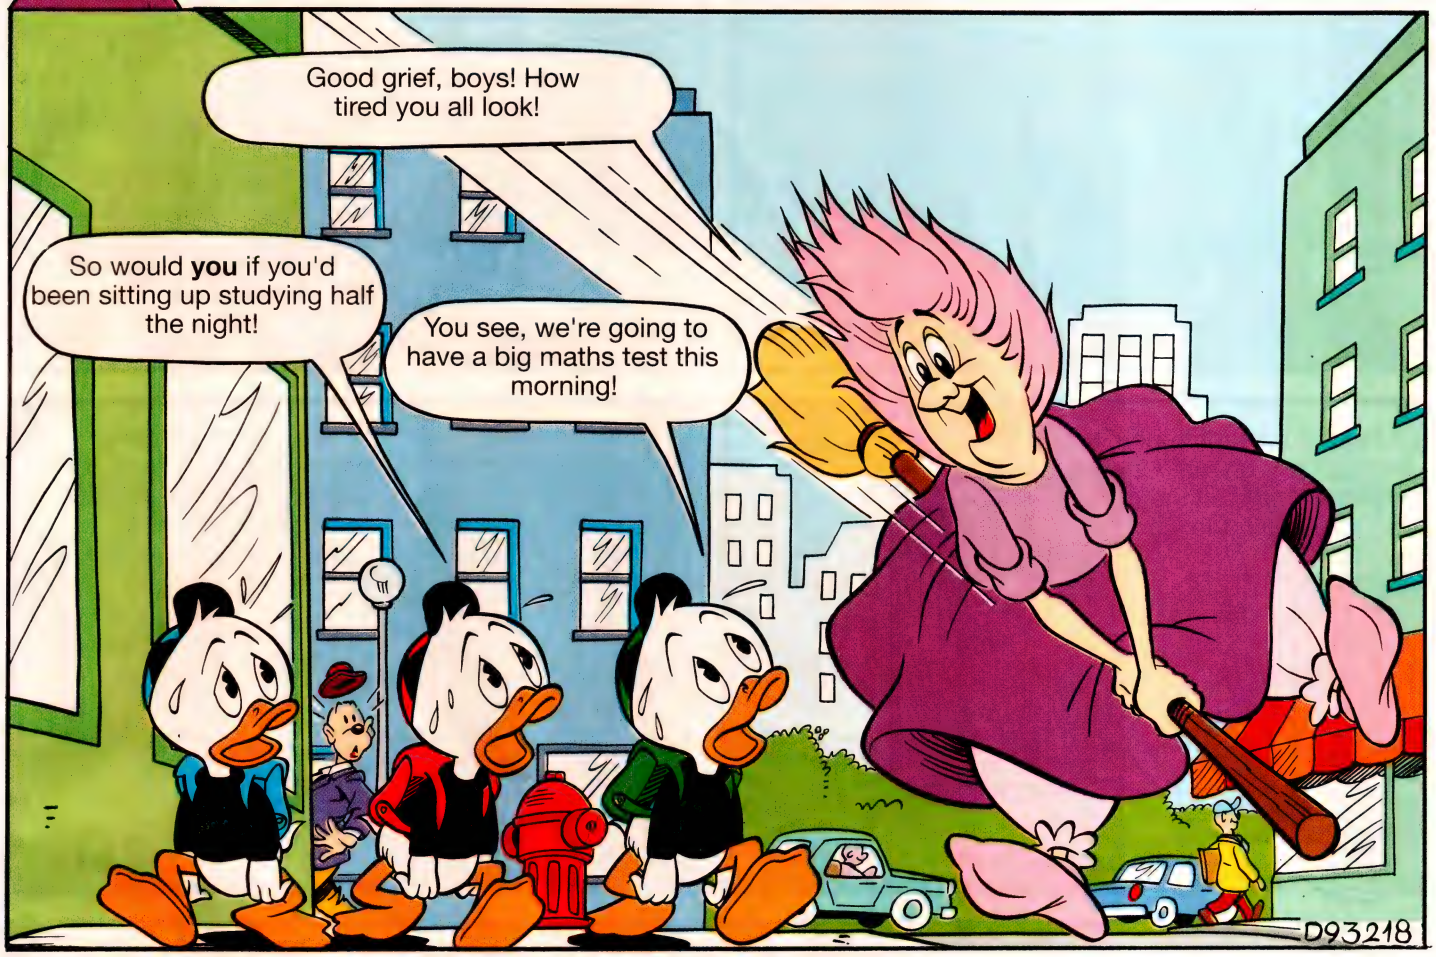
Donald is trying to draw a straight line from A to B without touching any of the black circles. From which point on scale A to which point on scale B must he draw the line?



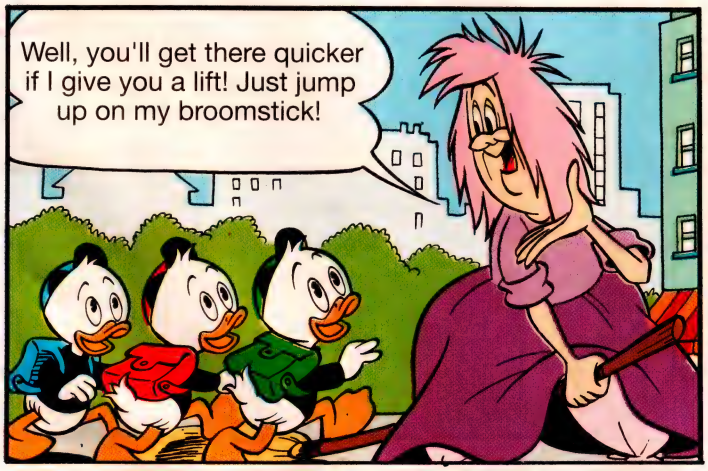
The answers are on page 31.

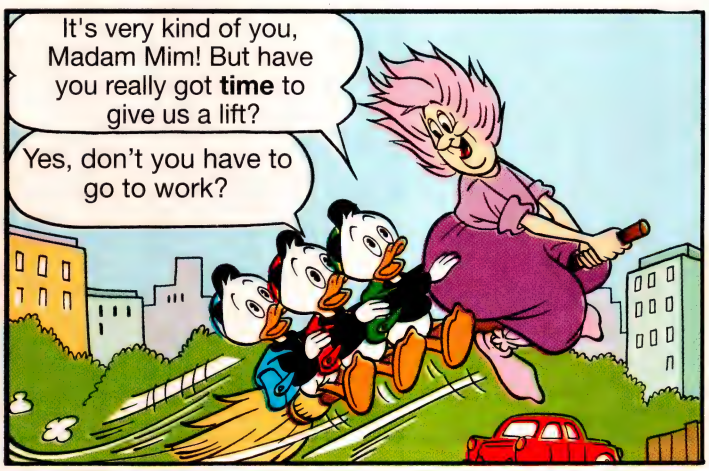
MADAM MIM

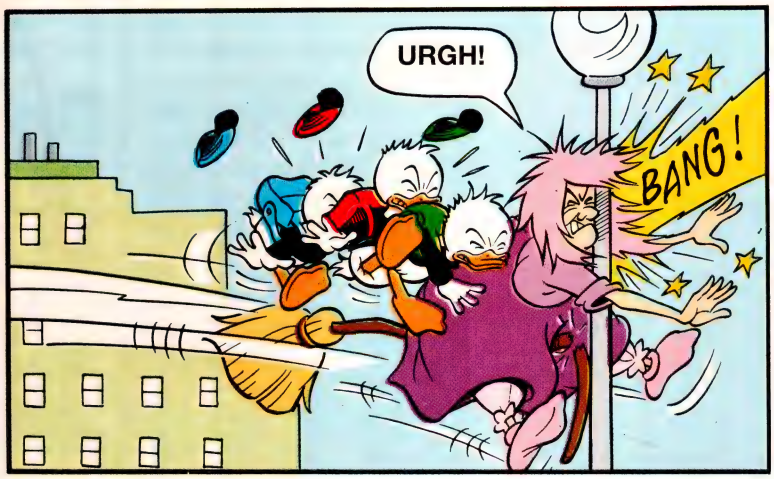
Just Like Magic

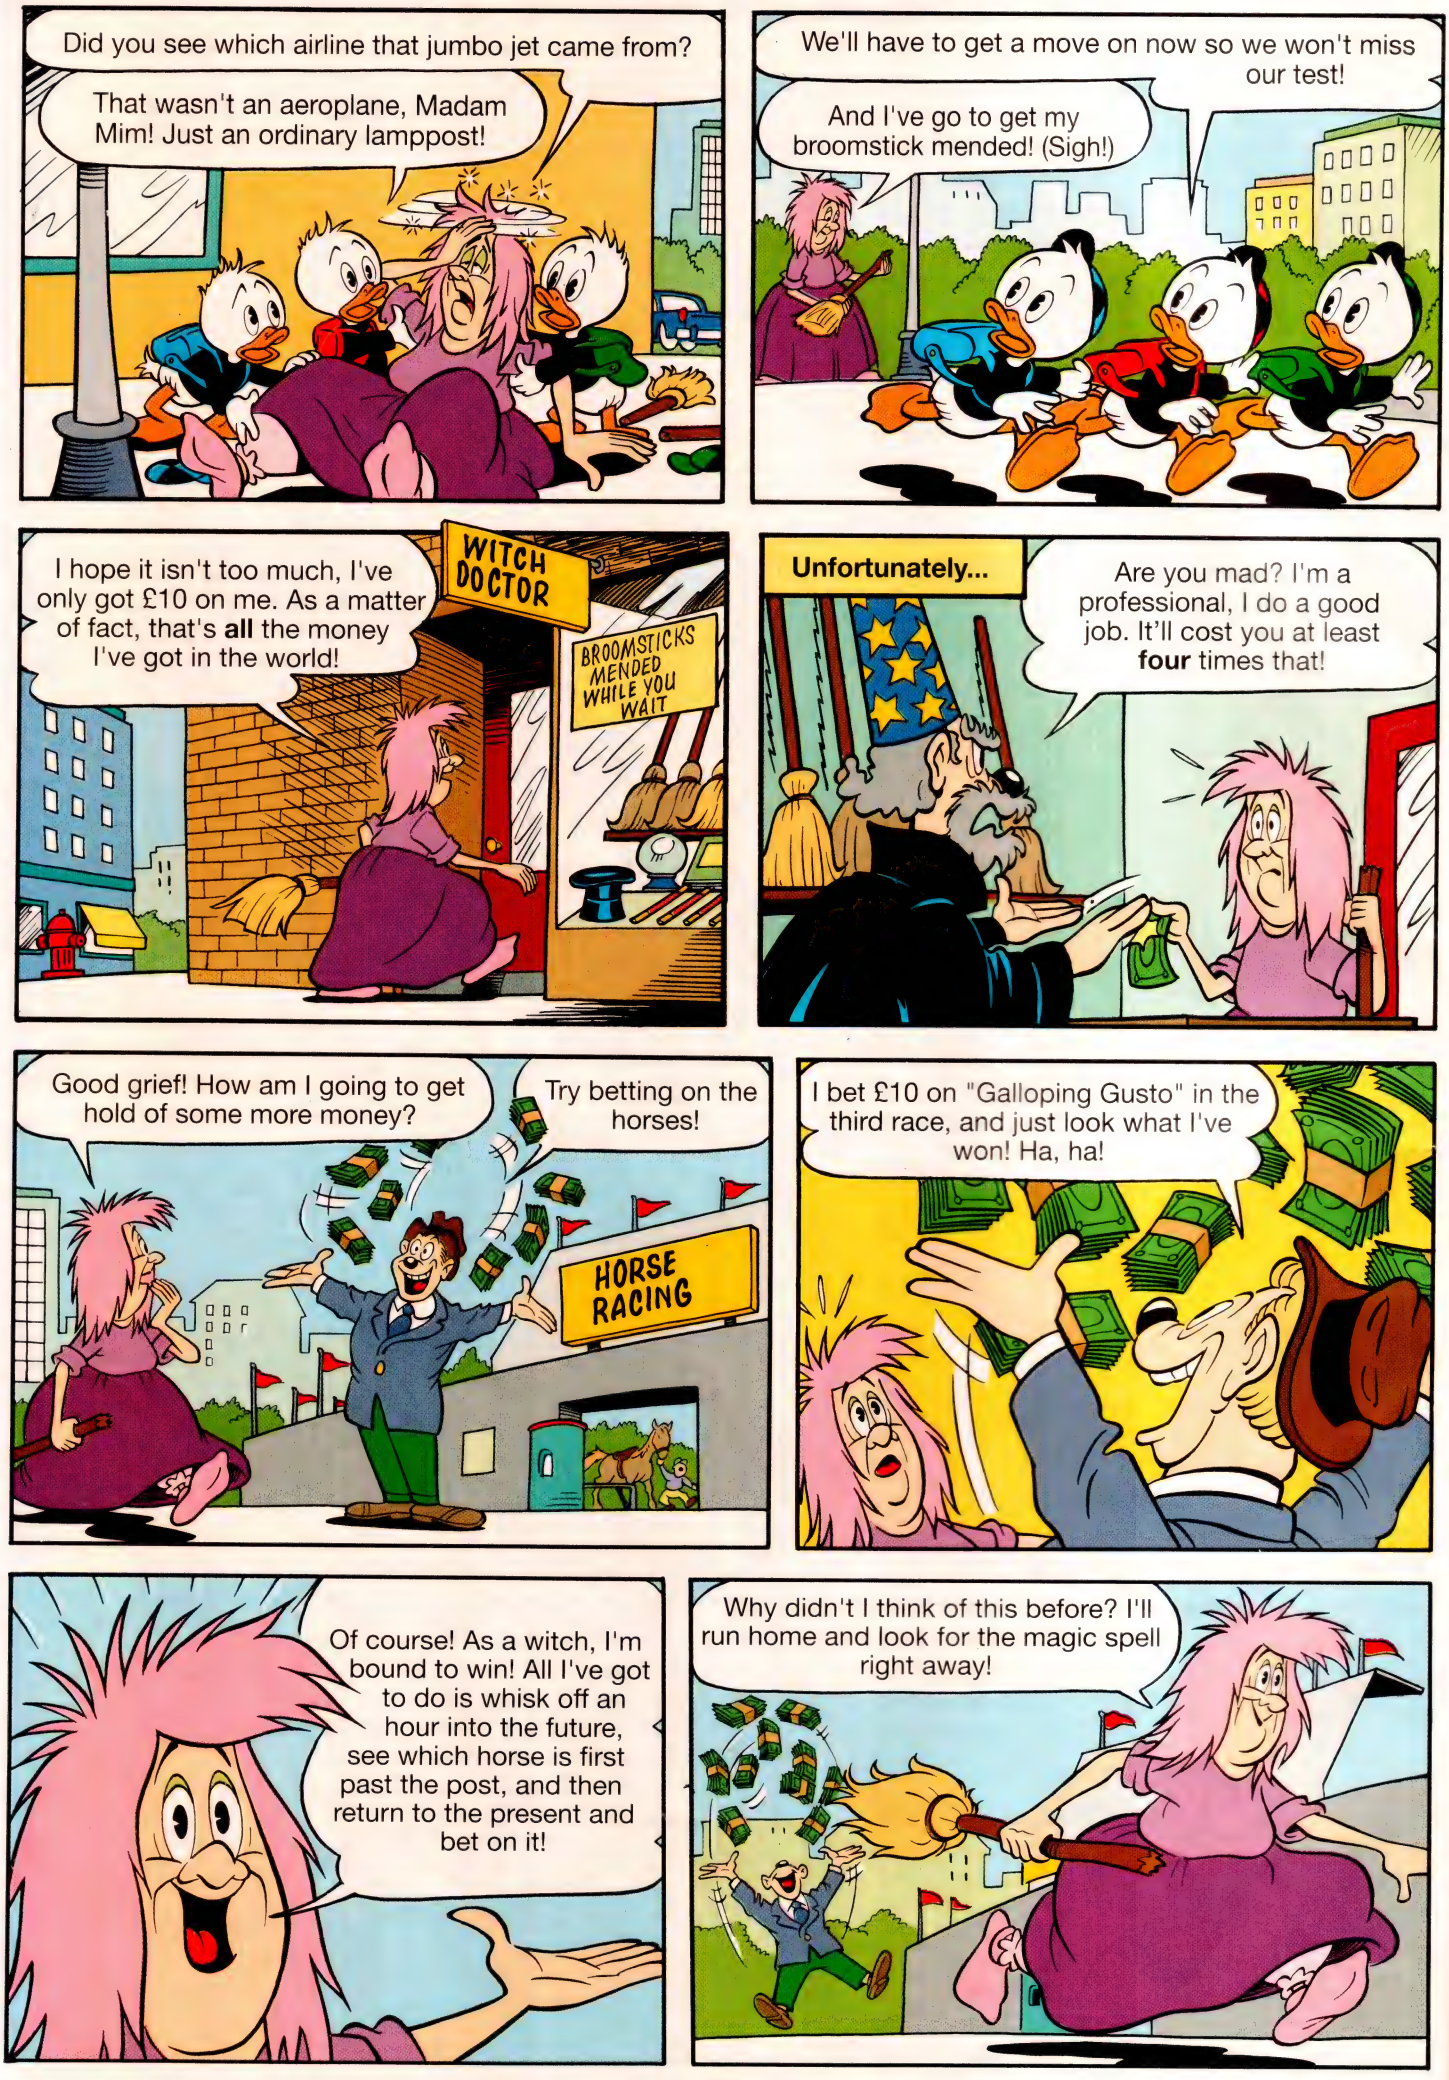


Good grief, boys! How tired you all look!
So would **you** if you'd been sitting up studying half the night!
You see, we're going to have a big maths test this morning!
D93218

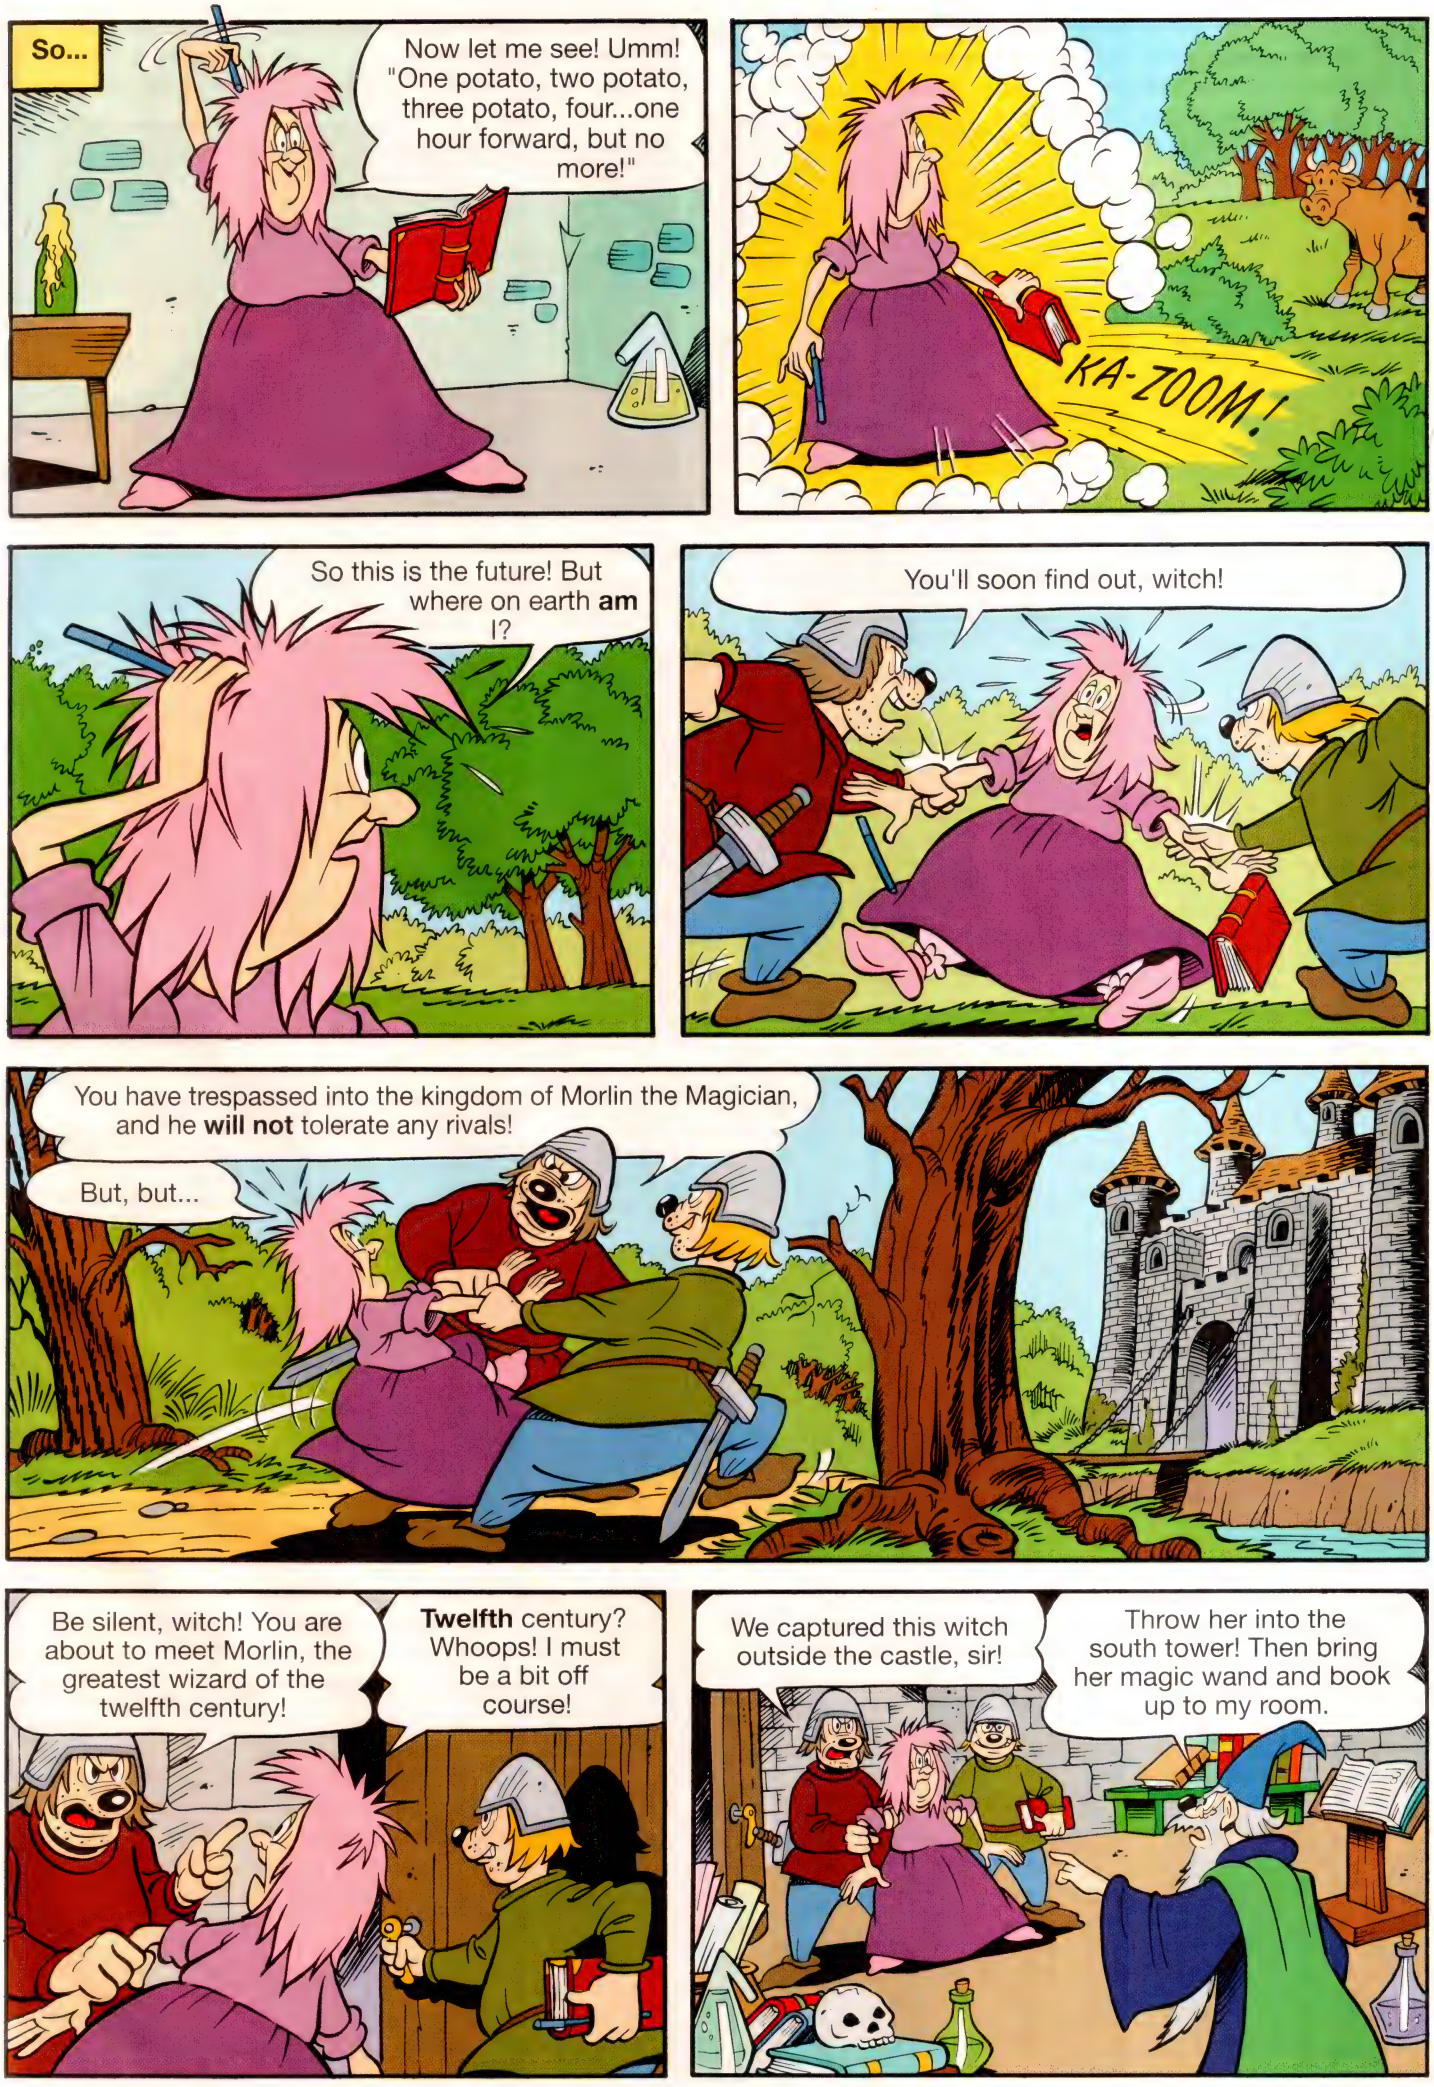




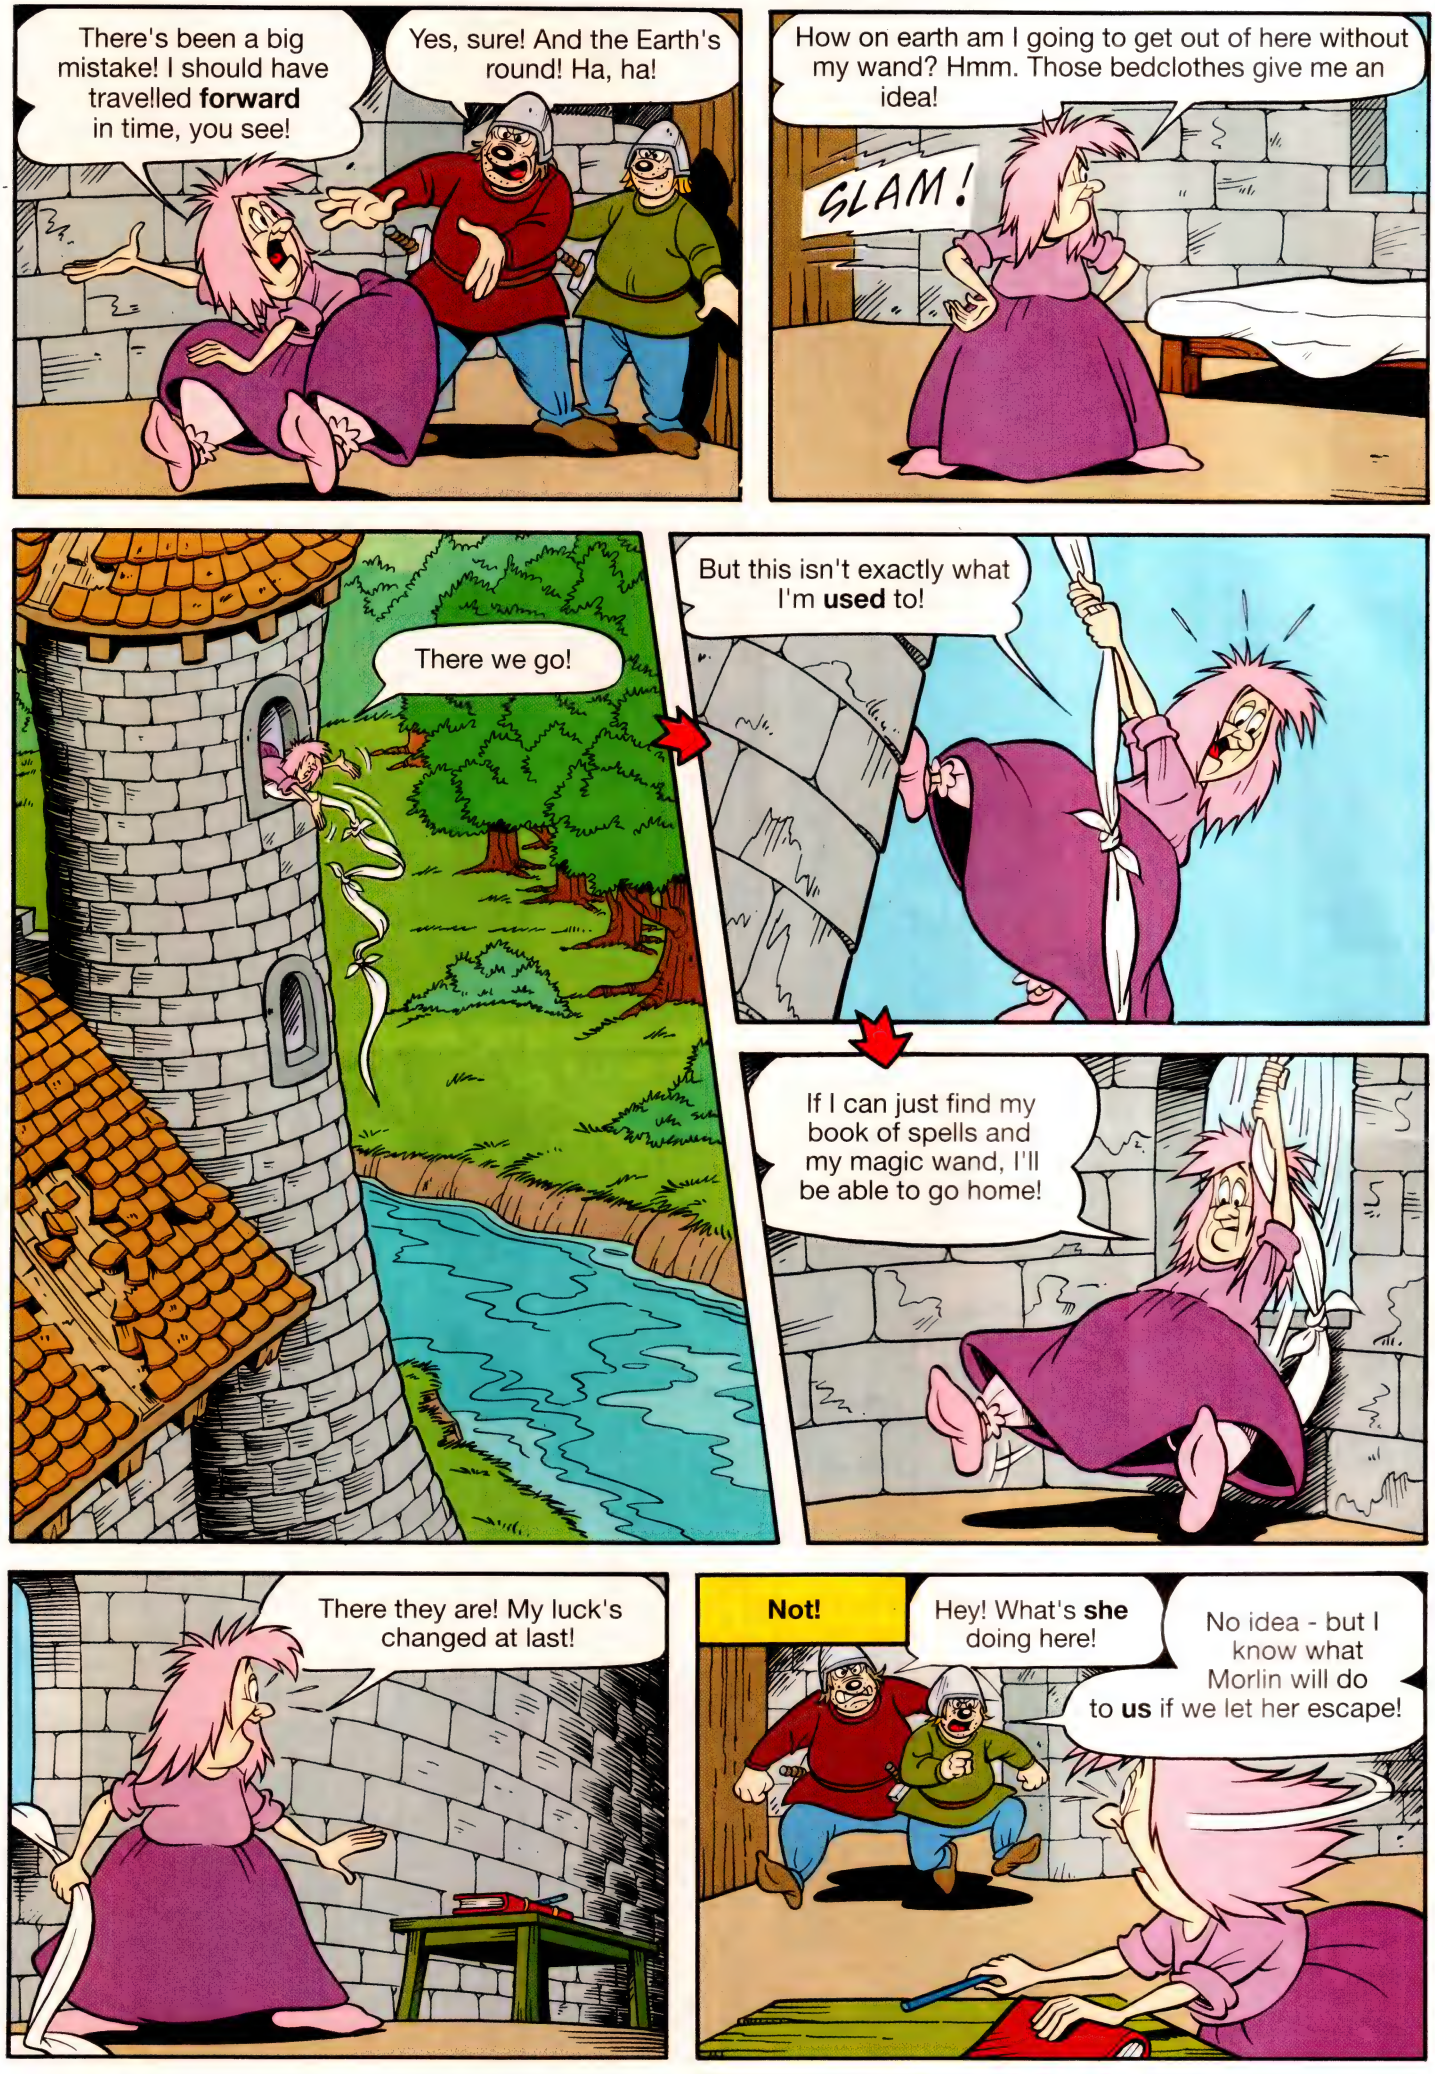




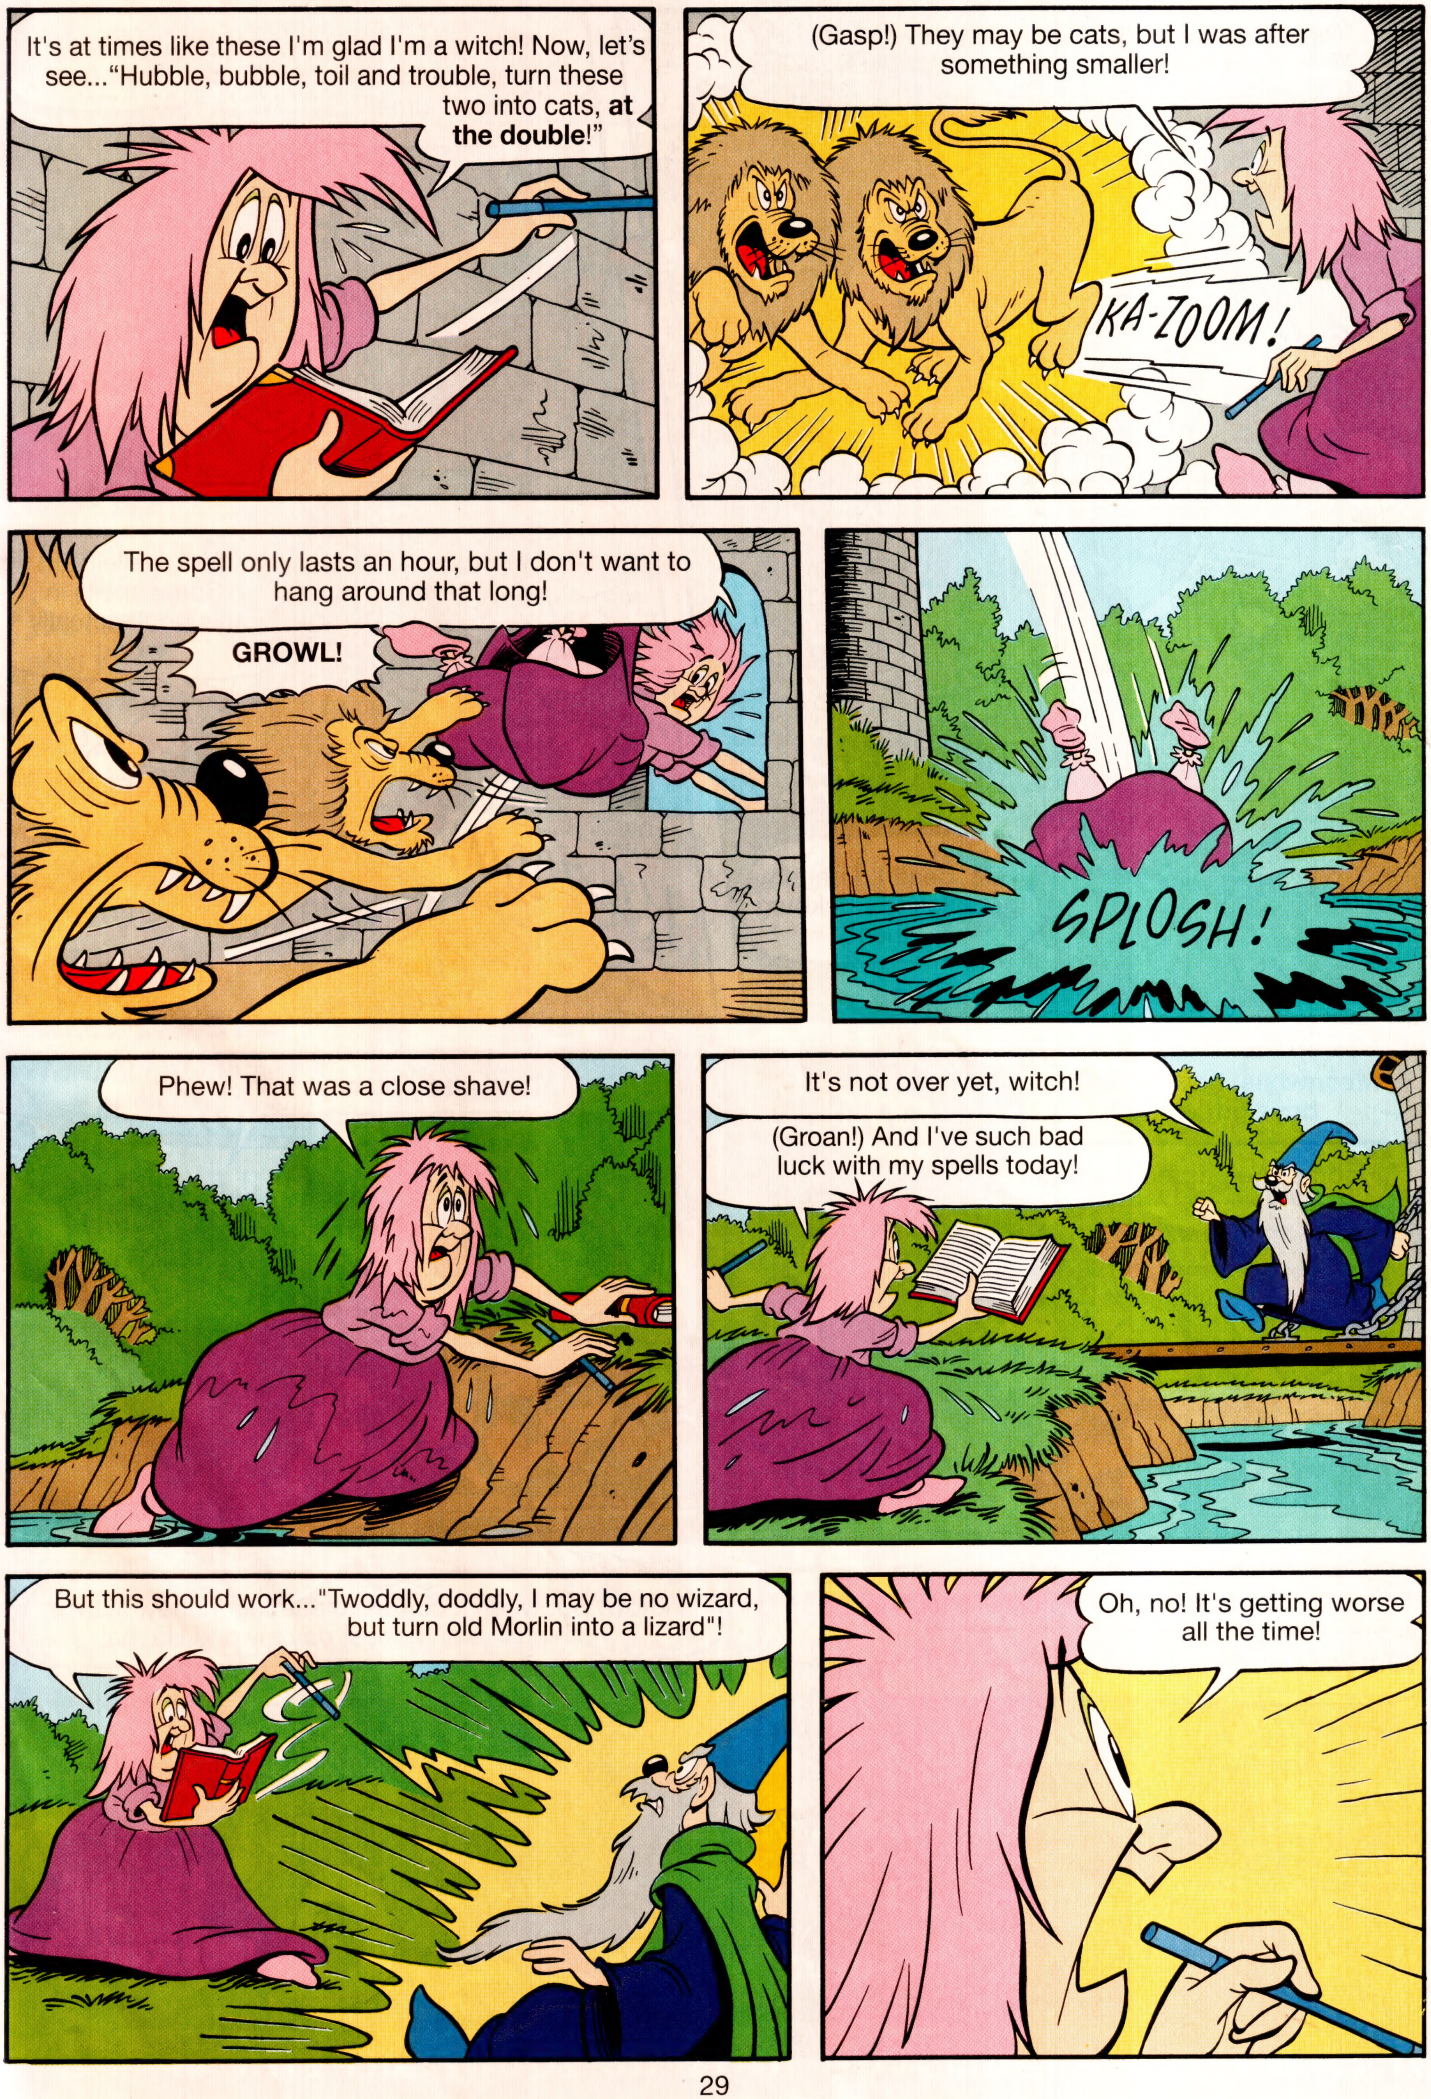
Did you see which airline that jumbo jet came from?
That wasn't an aeroplane, Madam Mim! Just an ordinary lamppost!
We'll have to get a move on now so we won't miss our test!
And I've go to get my broomstick mended! (Sigh!)
I hope it isn't too much, I've only got £10 on me. As a matter of fact, that's **all** the money I've got in the world!
WITCH DOCTOR
BROOMSTICKS MENDED WHILE YOU WAIT
Unfortunately...
Are you mad? I'm a professional, I do a good job. It'll cost you at least **four** times that!
Good grief! How am I going to get hold of some more money?
Try betting on the horses!
HORSE RACING
I bet £10 on "Galloping Gusto" in the third race, and just look what I've won! Ha, ha!
Of course! As a witch, I'm bound to win! All I've got to do is whisk off an hour into the future, see which horse is first past the post, and then return to the present and bet on it!
Why didn't I think of this before? I'll run home and look for the magic spell right away!



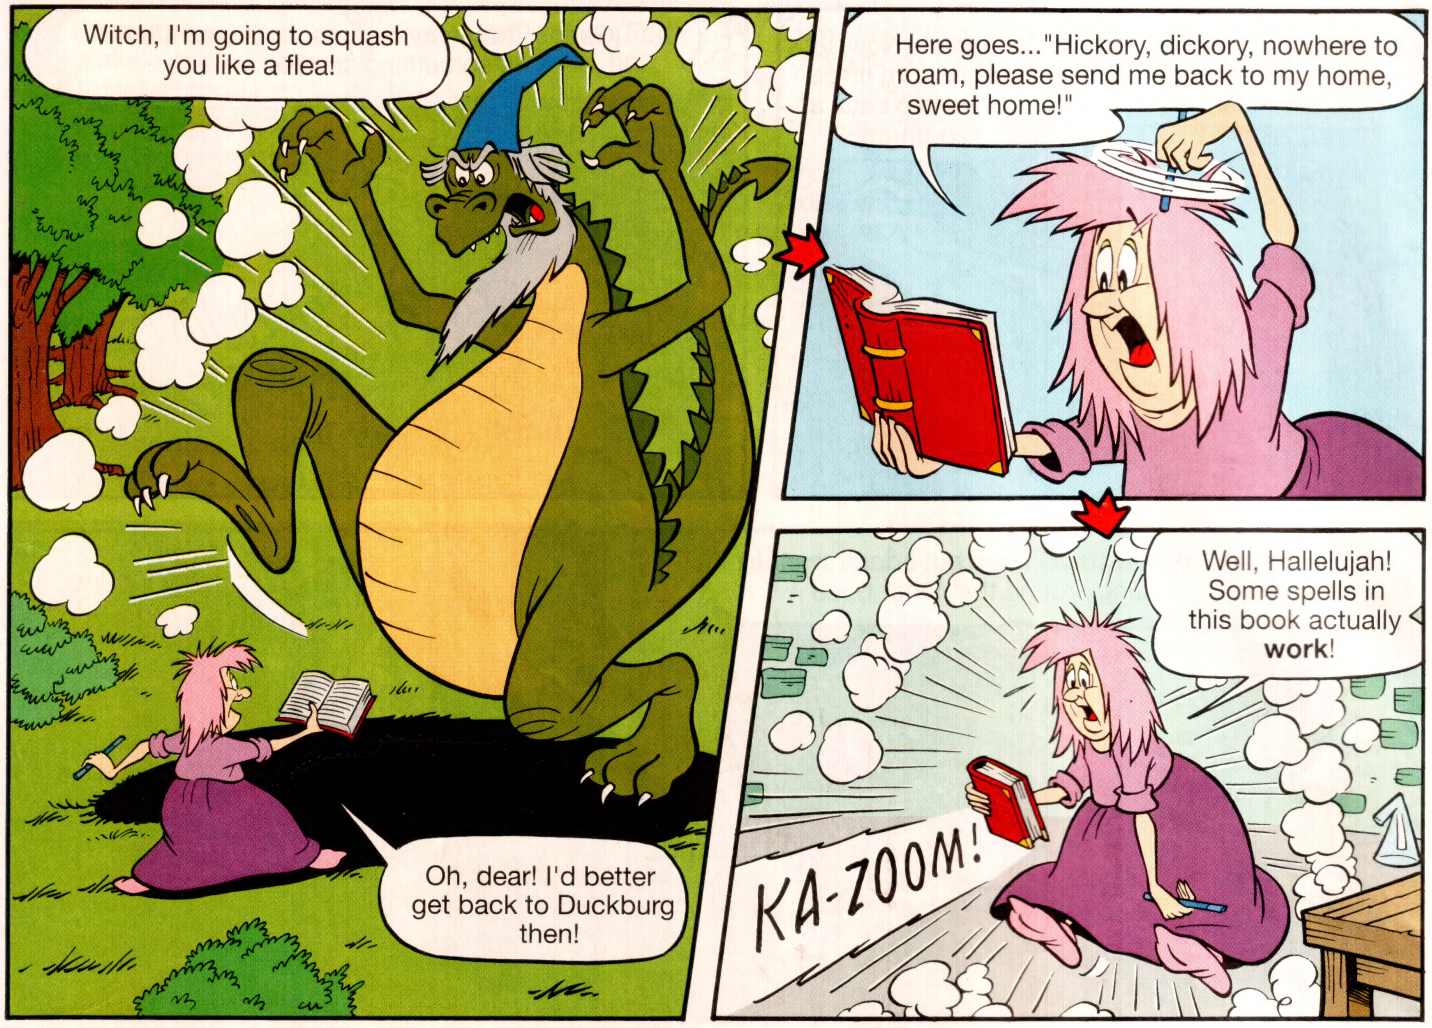
So...
Now let me see! Umm! "One potato, two potato, three potato, four...one hour forward, but no more!"
KA-ZOOM!
So this is the future! But where on earth **am** I?
You'll soon find out, witch!
You have trespassed into the kingdom of Morlin the Magician, and he **will not** tolerate any rivals!
But, but...
Be silent, witch! You are about to meet Morlin, the greatest wizard of the twelfth century!
Twelfth century? Whoops! I must be a bit off course!
We captured this witch outside the castle, sir!
Throw her into the south tower! Then bring her magic wand and book up to my room.



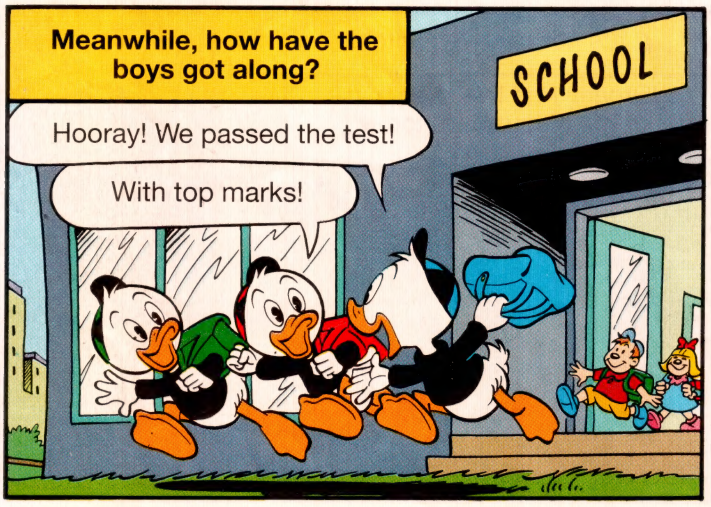
There's been a big mistake! I should have travelled **forward** in time, you see!
Yes, sure! And the Earth's round! Ha, ha!
How on earth am I going to get out of here without my wand? Hmm. Those bedclothes give me an idea!
SLAM!
There we go!
But this isn't exactly what I'm **used** to!
If I can just find my book of spells and my magic wand, I'll be able to go home!
There they are! My luck's changed at last!
Not!
Hey! What's **she** doing here!
No idea - but I know what Morlin will do to **us** if we let her escape!



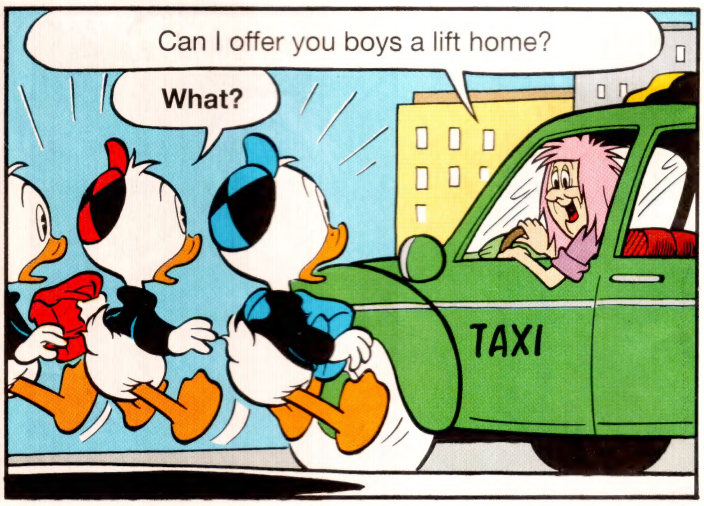
It's at times like these I'm glad I'm a witch! Now, let's see..."Hubble, bubble, toil and trouble, turn these two into cats, **at the double**!"
(Gasp!) They may be cats, but I was after something smaller!
KA-ZOOM!
The spell only lasts an hour, but I don't want to hang around that long!
GROWL!
SPLOSH!
Phew! That was a close shave!
It's not over yet, witch!
(Groan!) And I've such bad luck with my spells today!
But this should work..."Twoddly, doddly, I may be no wizard, but turn old Morlin into a lizard"!
Oh, no! It's getting worse all the time!



Witch, I'm going to squash you like a flea!
Oh, dear! I'd better get back to Duckburg then!
Here goes..."Hickory, dickory, nowhere to roam, please send me back to my home, sweet home!"
Well, Hallelujah! Some spells in this book actually **work**!
KA-ZOOM!

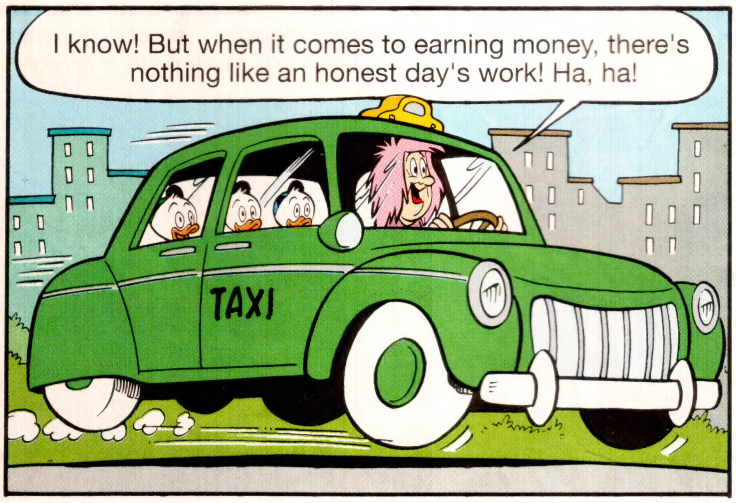


Meanwhile, how have the boys got along?
SCHOOL
Hooray! We passed the test!
With top marks!



Can I offer you boys a lift home?
What?
TAXI

So you decided to get yourself a job then?
But you said that witches didn't need...
TAXI



I know! But when it comes to earning money, there's nothing like an honest day's work! Ha, ha!

Right. Roll over, Pluto!
